# COMMISSION REGULATION (EC) No 935/94

## of 27 April 1994

## amending Regulation (EEC) No 845/93 laying down the regional base areas applicable under the support system for producers of certain arable crops

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Community,

Having regard to Council Regulation (EEC) No 1765/92 of 30 June 1992 establishing a support system for producers of certain arable crops [1], as last amended by Regulation (EC) No 232/94 [2], and in particular Articles 12 and 16 thereof,

Whereas Commission Regulation (EEC) No 845/93 [3], as amended by Regulation (EC) No 3074/93 [4] lays down the base areas applicable under the support system for producers of certain arable crops; whereas in Germany separate base areas were laid down for each Land; whereas the use of the reference years 1989, 1990 and 1991 for setting the base areas in the new German Länder does not take into account their particular situation which is due to the fact that the unification was carried out without a transitional period; whereas the base areas in the new Länder need to be adjusted;

Whereas a change in the borders between the Länder Brandenburg and Mecklenburg-Western Pommerania, and between the Länder Mecklenburg-Western Pommerania and Lower Saxony has taken place; whereas the base areas in the Länder in question should therefore be adjusted; whereas it is necessary to amend the base areas laid down for certain Länder with effect from the 1993/94 marketing year;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Joint Management Committee for Cereals, Oils and Fats and Dried Fodder,

HAS ADOPTED THIS REGULATION:
