COUNCIL REGULATION (EC) No 1347/95

of 9 June 1995

amending Regulation (EC) No 603/95 on the common organization of the market in dried fodder

THE COUNCIL OF THE EUROPEAN UNION,

Having regard to the Treaty establishing the European Community, and in particular Articles 42 and 43 thereof,

Having regard to the proposal from the Commission (1),

Having regard to the opinion of the European Parliament (2),

Having regard to the opinion of the Economic and Social Committee (3),

Whereas Regulation (EC) No 603/95 (4) set out in Article 4 the National Guaranteed Quantities (NGQs) per Member State per marketing year for which aid for dried fodder may be granted; whereas the accession of Austria, Finland and Sweden makes it necessary that NGQs be established for those Member States; whereas other Member States' NGQs were established taking into account, in particular the average of their production of dried fodder in the marketing years 1992/93 and 1993/94 according to the data available to the Commission in July 1994, for which aid was received under Article 5 (2) first subparagraph of Regulation (EEC) No 1117/78 (5); whereas Austria, Finland and Sweden were not eligible for such aid; whereas it is necessary to establish their NGQs on the basis of the average of their production of dried fodder in the calendar years 1992 and 1993;

Whereas Regulation (EC) No 603/95 should therefore be amended,
