COMMISSION REGULATION (EC) No 1433/95

of 23 June 1995

on the opening of a standing invitation to tender for 250 000 tonnes of barley held by the intervention agency of the United Kingdom for processing in Spain

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Community,

Having regard to Council Regulation (EEC) No 1766/92 of 30 June 1992 on the common organization of the market in cereals (1), as last amended by the Act of Accession of Austria, Finland and Sweden and by Regulation (EC) No 3290/94 (2), and in particular Article 5 thereof,

Whereas the drought affecting Spain in recent months has resulted in a shortage of fodder, which may induce stockfarmers to sell their livestock early, thereby adversely affecting their incomes;

Whereas that shortage may be made good by making 250 000 tonnes of barley available to Spanish stockfarmers; whereas, for its part, the Spanish intervention agency does not have fodder grain available; whereas such Community grain is available at the intervention agency of the United Kingdom;

Whereas, given the current market situation, a standing invitation to tender should be opened for 250 000 tonnes of barley held by the intervention agency of the United Kingdom for compulsory dispatch to Spain;

Whereas the aim of the measures can only be achieved if the minimum price laid down under the invitation to tender takes account of the forwarding costs between the United Kingdom and Spain but does not disturb the Spanish domestic market; whereas, under these circumstances, the most appropriate procedure is that followed for exports of cereals to third countries; whereas a special system, combining certain rules on resale on the internal market and those on exports, should therefore be laid down;

Whereas, as regards proof of processing in Spain, Commission Regulation (EEC) No 3002/92 of 16 October 1992 laying down common detailed rules for verifying the use and/or destination of products from intervention (3), as last amended by Regulation (EEC) No 1938/93 (4), should apply;

Whereas, in view of the early harvest in Spain and if the provisions of this Regulation are to produce an effect, the measures adopted must be applied as soon as possible;

Whereas the Joint Management Committee for Cereals, Oils and Fats and Dried Fodder has not delivered an opinion within the time limit set by its chairman,

HAS ADOPTED THIS REGULATION:

Article 1

1. Notwithstanding Commission Regulation (EEC) No 2131/93 laying down the procedure and conditions for the sale of cereals held by intervention agencies (5), the intervention agency of the United Kingdom shall organize a standing invitation to tender under the conditions laid down hereunder for 250 000 tonnes of barley it holds with a view to processing in Spain.

2. The regions where the 250 000 tonnes of barley are stored are set out in Annex I.

Article 2

Article 4

When each closing date for the submission of tenders has expired, the Member State concerned shall forward to the Commission a list of tenders, without names, showing in each case in particular the quantity, the price and the price increases or reductions applying thereto. In accordance with the procedure laid down in Article 23 of Regulation (EEC) No 1766/92, the Commission shall fix the minimum selling price or shall decide to take no action in respect of tenders received.

The notice and any amendments thereto shall be forwarded to the Commission before the first closing date for the submission of tenders.

The intervention agency of the United Kingdom shall take all measures necessary to enable interested parties to assess the quality of the cereals put up for sale before submitting their tenders.

Article 6

1. Tenders shall refer to the standard quality defined in Council Regulation (EEC) No 2731/75 fixing standard qualities for common wheat, rye, barley, maize and durum wheat (1).

Where the quality of the cereals does not comply with the standard quality, the price of the tender accepted shall be adjusted by applying price increases or reductions pursuant to Articles 4 and 5 of Regulation (EEC) No 1766/92.

2. Tenders submitted may not be adjusted or withdrawn.

Tenders shall only be valid if they are accompanied by:

Such notifications shall be sent to the telex or telefax numbers set out in Annex III, using the model set out in Annex II.

Article 9

The intervention agency shall immediately inform all tenderers of the outcome of their tenders. Within three working days of such notification, it shall forward statements of award to the successful tenderers by registered letter or written telecommunication.

Article 10

Successful tenderers shall pay for the cereals before they are removed and at the latest within one month of the date of forwarding of the statements referred to in Article 9. They shall bear all risks and storage costs in respect of cereals not removed within the term of payment.

Cereals covered by contracts awarded and not removed within the term of payment shall be deemed to all effects to have been removed on expiry of that term. In such cases, the tender price shall be adjusted by reference to the quality specifications laid down in the notice of invitation to tender.
