COUNCIL REGULATION (EC) No 1537/95

of 29 June 1995

fixing the amount of aid in respect of silkworms for the 1995/96 rearing year

THE COUNCIL OF THE EUROPEAN UNION,

Having regard to the Treaty establishing the European Community,

Having regard to Council Regulation (EEC) No 845/72 of 24 April 1972 laying down special measures to encourage silkworm rearing [1], and in particular Article 2 (3) thereof,

Having regard to the proposal from the Commission [2],

Having regard to the opinion of the European Parliament [3],

Having regard to the opinion of the Economic and Social Committee [4],

Whereas Article 2 of Regulation (EEC) No 845/72 provides that the amount of aid for silkworms reared within the Community must be fixed each year in such a way as to help ensure a fair income for silkworm rearers, taking into account the state of the market in cocoons and raw silk, of foreseeable trends on that market and of import policy;

Whereas application of the abovementioned criteria entails fixing the amount of aid at the level mentioned below,

HAS ADOPTED THIS REGULATION:

Article 1

For the 1995/96 rearing year, the amount of aid in respect of silkworms as referred to in Article 2 of Regulation (EEC) No 845/72 shall be fixed at ECU 133,26 per box of silkworm eggs used.

Article 2

This Regulation shall enter into force on the day of its publication in the *Official Journal of the European Communities*.

It shall apply from 1 April 1995.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Luxembourg, 29 June 1995.

For the Council

The President

J. BARROT
