COMMISSION REGULATION (EC) No 1780/95

of 24 July 1995

on the issuing of export licences for products processed from fruit and vegetables

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Community,

Having regard to Council Regulation (EEC) No 426/86 of 24 February 1986 on the common organization of the market in products processed from fruit and vegetables [1], as last amended by Regulation (EC) No 1032/95 [2],

Having regard to Commission Regulation (EC) No 1429/95 of 23 June 1995 on implementing rules for export refunds on products processed from fruit and vegetables other than those granted for added sugars [3], and in particular Article 4 (1) thereof,

Whereas Commission Regulation (EC) No 1430/95 [4] specifies the quantities which may be covered by applications submitted for export licences with advance fixing of the refund other than those applied for in connection with food aid;

Whereas Article 4 of Regulation (EC) No 1429/95 lays down the conditions under which special measures may be taken by the Commission to prevent an overrun in the quantities for which export licence applications may be submitted;

Whereas, in view of the information available to the Commission as of today, the quantity of 2 440 tonnes of provisionally preserved cherries in the Annex to Regulation (EC) No 1430/95, reduced or increased by the quantities referred to in Article 4 (1) of Regulation (EC) No 1429/95, would be exceeded if licences were issued with advanced fixing of refunds without restriction in response to applications submitted since 20 July 1995; whereas a reducing factor should accordingly be applied to the quantities applied for on 20 July 1995, and applications for export licences with advance fixing of refunds submitted subsequently with a view to such licences being issued during the current period should be rejected,

HAS ADOPTED THIS REGULATION:

Article 1

Export licences with advance fixing of the refund for provisionally preserved cherries for which applications are submitted on 20 July 1995 under Article 1 of Regulation (EC) No 1489/95 shall be issued for 94,59 % of the quantities applied for.

Applications for export licences with advance fixing of refunds for the above product submitted after 20 July 1995 and before 20 October 1995 shall be rejected.

Article 2

This Regulation shall enter into force on 25 July 1995.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 24 July 1995.
