COMMISSION REGULATION (EC) No 1845/95

of 26 July 1995

fixing for the 1995/96 marketing year the minimum price to be paid to producers for Williams and Rocha pears and the amount of production aid for such pears in syrup and/or natural fruit juice

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Community,

Having regard to Council Regulation (EEC) No 426/86 of 24 February 1986 on the common organization of the market in products processed from fruit and vegetables [1], as last amended by Commission Regulation (EC) No 1032/95 [2], and in particular Articles 4 (4) and 5 (5) thereof,

Whereas Council Regulation (EEC) No 1206/90 [3], as amended by Regulation (EEC) No 2202/90 [4], lays down general rules for the system of production aid for processed fruit and vegetables;

Whereas, pursuant to Article 4 (1) of Regulation (EEC) No 426/86, the minimum price to be paid to producers is to be determined on the basis of, firstly, the minimum price applying during the previous marketing year, secondly, the movement of basic prices in the fruit and vegetables sector, and thirdly, the need to ensure the normal marketing of fresh products for the various uses, including supply of the processing industry;

Whereas Article 5 of Regulation (EEC) No 426/86 lays down the criteria for fixing the amount of production aid; whereas account must, in particular, be taken of the aid fixed for the previous marketing year adjusted to take account of changes in the minimum price to be paid to producers and the difference between the cost of the raw material in the Community and in the major competing third countries;

Whereas a system of monetary adjustment was applied to the amount of the aid of the previous marketing years, on the one hand to correct the impact of the differnces existing between the agricultural conversion rate and the average of the market exchange rate during a given period and on the other hand to ensure normal competition with third countries, that, owing to measures taken as regards agri-monetary policy, it is appropriate to suspend application of it;

Whereas the Management Committee for Products Processed from Fruit and Vegetables has not delivered an opinion within the time limit set by its chairman.

HAS ADOPTED THIS REGULATION:
