Whereas the flag Member States are responsible for the management of fishing effort and whereas, for the purposes of the control of fishing effort, Member States should take account of the effect of exchanges of quota on fishing effort;

Whereas provision should be made for the Commission to lay down, at the request of a Member State, the application procedures provided for in the second subparagraph of Article 6 (2) of Regulation (EC) No 685/95;

Whereas provision should be made for the Commission's to review the maximum fishing effort of a Member State at its request in accordance with the conditions laid down in Regulation (EC) No 685/95;
