COMMISSION REGULATION (EC) No 2151/95
of 8 September 1995
on the supply of vegetable oil as food aid

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Community,

Having regard to Council Regulation (EEC) No 3972/86 of 22 December 1986 on food-aid policy and food-aid management (1), as last amended by Regulation (EEC) No 1930/90 (2), and in particular Article 6 (1) (c) thereof,

Whereas Council Regulation (EEC) No 1420/87 of 21 May 1987 laying down implementing rules for Regulation (EEC) No 3972/86 on food-aid policy and food-aid management (3) lays down the list of countries and organizations eligible for food-aid operations and specifies the general criteria on the transport of food aid beyond the fob stage;

Whereas, following the taking of a number of decisions on the allocation of food aid, the Commission has allocated to certain recipients 1 175 tonnes of vegetable oil;

Whereas it is necessary to make these supplies in accordance with the rules laid down by Commission Regulation (EEC) No 2200/87 of 8 July 1987 laying down general rules for the mobilization in the Community of products to be supplied as Community food aid (4), as amended by Regulation (EEC) No 790/91 (5); whereas it is necessary to specify the time limits and conditions of supply and the procedure to be followed to determine the resultant costs;

Whereas, for a given lot, given the small quantities to be supplied, the packaging methods and the large number of destinations of the supplies, provision should be made for the possibility for tenderers to indicate two ports of loading, where necessary not belonging to the same port area,

HAS ADOPTED THIS REGULATION:

Article 1

Vegetable oil shall be mobilized in the Community, as Community food aid for supply to the recipient listed in the Annexes, in accordance with Regulation (EEC) No 2200/87 and under the conditions set out in the Annexes. Supplies shall be awarded by the tendering procedure.

The supply shall cover the mobilization of vegetable oil produced in the Community. Mobilization may not involve a product manufactured and/or packaged under inward processing arrangements.

For lots A and B, notwithstanding Article 7 (3) (d) of Regulation (EEC) No 2200/87, the tender may indicate two ports of shipment not necessarily belonging to the same port area.

The successful tenderer is deemed to have noted and accepted all the general and specific conditions applicable. Any other condition or reservation included in his tender is deemed unwritten.

Article 2

This Regulation shall enter into force on the day following its publication in the *Official Journal of the European Communities.*

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 8 September 1995.
