COMMISSION REGULATION (EC) No 2391/95

of 11 October 1995

amending Regulation (EC) No 1098/94 laying down the regional base areas applicable under the arable support system for producers

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Community,

Having regard to Council Regulation (EEC) No 1765/92 of 30 June 1992 establishing a support system for producers of certain arable crops [1], as last amended by Commission Regulation (EC) No 1664/95 [2], and in particular Article 12 thereof,

Whereas Commission Regulation (EC) No 1098/94 [3], as last amended by Regulation (EC) No 2146/94 [4], lays down the regional base areas applicable under the support system for producers of certain arable crops; whereas, in Germany, a change in the borders between the *Länder* Berlin and Brandenburg has taken place; whereas the base area in the *Länder* in question should therefore be adjusted;

Whereas, following an application from France, new base areas should be fixed in accordance with their regionalization plan, without thereby altering the relevant total base area;

Whereas following the accession of Austria, Finland and Sweden, and the immediate implementation of the arable support system in these new Member States, it is necessary to fix areas in accordance with the criteria set out in Regulation (EEC) No 1765/92;

Whereas it is therefore necessary to amend Regulation (EC) No 1098/94;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Joint Management Committee for Cereals, Oils and Fats and Dried Fodder,

HAS ADOPTED THIS REGULATION:
