COMMISSION REGULATION (EC) No 2644/95

of 14 November 1995

fixing the export refunds on poultrymeat

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Community,

Having regard to Council Regulation (EEC) No 2777/75 of 29 October 1975 on the common organization of the market in poultrymeat [1], as last amended by the Act of Accession of Austria, Finland and Sweden and by Regulation (EC) No 3290/94 [2], and in particular Article 8 (3) thereof,

Whereas Article 8 of Regulation (EEC) No 2777/75 provides that the difference between prices on the world market for the products listed in Article 1 (1) of that Regulation and prices for those products within the Community may be covered by an export refund;

Whereas Council Regulation (EEC) No 2777/75 provides that from 1 July 1995 all exports for which refunds are requested, with the exception of exports of day-old chicks, shall be subject to the presentation of an export licence with advance fixing of the refund; whereas the specific implementing rules for these arrangements are laid down in Commission Regulation (EC) No 1372/95 [3], as amended by Regulation (EC) No 2523/95 [4]; whereas these rules provide, among other things, that applications for export licences for use from 1 July 1995 may be submitted from 19 June 1995;

Whereas the present market situation in certain third countries and that regarding competition on particular third country markets make it necessary to fix a refund differentiated by destination for certain products in the poultrymeat sector;

Whereas Council Regulation (EEC) No 990/93 [5], as amended by Regulation (EC) No 1380/95 [6], prohibits trade between the European Community and the Federal Republic of Yugoslavia (Serbia and Montenegro); whereas this prohibition does not apply in certain situations as comprehensively listed in Articles 2, 4, 5 and 7 thereof; whereas account should be taken of this fact when fixing the refunds;

Whereas the representative market rates defined in Article 1 of Council Regulation (EEC) No 3813/92 [7], as last amended by Regulation (EC) No 150/95 [8], are used to convert amounts expressed in third country currencies and are used as the basis for determining the agricultural conversion rates of the Member States' currencies; whereas detailed rules on the application and determination of these conversions were set by Commission Regulation (EEC) No 1068/93 [9], as last amended by Regulation (EC) No 1053/95 [10];

Whereas it follows from applying these rules and criteria to the present situation on the market in poultrymeat that the refund should be fixed at an amount which would permit Community participation in world trade and would also take account of the nature of these exports and their importance at the present time;

Whereas the Management Committee for Poultrymeat and Eggs has not delivered an opinion within the time limit set by its chairman,

HAS ADOPTED THIS REGULATION:
