COMMISSION REGULATION (EC) No 2788/95

of 1 December 1995

concerning the issue of import licences for certain preserved mushrooms originating in China

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Community,

Having regard to Commission Regulation (EEC) No 2125/95 of 6 September 1995 opening and providing for the administration of Community tariff quotas for preserved mushrooms of the genus *Agaricus* spp. [1], as last amended by Regulation (EC) No 2723/93 [2], and in particular Article 6 (4) thereof,

Whereas Article 6 (4) of Regulation (EC) No 2125/95 lays down that where the quantities applied for exceed the quantity available, the Commission must set a flat-rate percentage reduction and suspend the issue of licences in respect of subsequent applications;

Whereas the quantities applied for on 28 November 1995 for products originating in China exceeded the quantity available; whereas, as a result, the extent to which licences may be issued must be determined and the issue of licences for all subsequent applications should be suspended until 31 December 1995,

HAS ADOPTED THIS REGULATION:

Article 1

Article 2

The issue of import licences applied for pursuant to Regulation (EC) No 2125/95 for China shall be suspended for applications submitted from 29 November 1995 until 31 December 1995.
