COMMISSION REGULATION (EC) No 2919/95
of 18 December 1995
on the grant of special aid for the production of durum wheat in Austria

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Community,

Having regard to Council Regulation (EEC) No 1765/92 of 30 June 1992 establishing a support system for producers of certain arable crops [1], as last amended by Regulation (EC) No 2800/95 [2], and in particular Article 12 thereof,

Whereas, in order to safeguard a certain level of protection of durum wheat in Austria, outside the traditional production zones, Regulation (EEC) No 1765/92 provides for the grant of special aid in those regions in which production of durum wheat was well established ; whereas a list of regions meeting that criterion should be established ;

Whereas, in order to prevent too high an increase in the areas under durum wheat, the special aid is granted up to a ceiling of 5 000 ha ; whereas detailed rules for the administration of that ceiling should be laid down ;

Whereas for the purposes of the application of this Regulation, the information required under Commission Regulation (EEC) No 3887/92 of 23 December 1992 laying down detailed rules for applying the integrated administration and control system for certain Community aid schemes [3], as amended by Regulation (EC) No 1648/95 [4], and under Commission Regulation (EEC) No 1664/93 of 29 June 1993 setting out the information to be provided by the Member States concerning the support system for producers of certain arable crops [5], should be supplemented ;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Joint Management Committee for cereals, oils and fats and dried fodder,
