(Text with EEA relevance)

Having regard to Council Regulation (EEC) No 4176/88 of 28 December 1988 laying down detailed rules for the grant of a flat-rate aid for certain fishery products and aquaculture products [1] as last amended by Regulation (EEC) No 3516/93 [2], and in particular Article 11 thereof,

Whereas the flat-rate premium should encourage the producers' organizations to prevent the destruction of products withdrawn from the market;

Whereas the amount of the premium may not exceed the technical and financial costs of processing and storage recorded during the previous fishing year, the highest costs being disregarded;

Whereas, on the basis of the information concerning the technical and financial costs associated with the concerned operations recorded in the Community, the amount of the premium should be fixed for the 1996 fishing year as shown below;
