COMMISSION REGULATION (EC) No 3013/95

of 27 December 1995

amending Regulation (EC) No 1608/95 adopting the balance and fixing the aid for the supply of products from the eggs and poultrymeat sectors to the Canary Islands under the arrangements provided for in Articles 2, 3 and 4 of Council Regulation (EEC) No 1601/92, regarding the amounts of aid

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Community,

Having regard to Council Regulation (EEC) No 1601/92 of 15 June 1992 concering specific measures for the Canary Islands with regard to certain agricultural products [1], as last amended by Commission Regulation (EC) No 2537/95 [2], and in particular Article 3 (4) and Article 4 (4) thereof,

Whereas Commission Regulation (EC) No 1608/95 [3] fixed the amounts of the aid for the supply to the archipelago, on the one hand, of meat and eggs, and on the other hand, of meat and eggs, and on the other hand, of chicks and hatching eggs originating in the rest of the Community; whereas such aid must be fixed taking into account in particular the costs of supply from the world market, conditions due to the geographical situation of the archipelago and the basis of the current prices on export to third countries for the animals or products concerned;

Whereas it follows from applying these rules and criteria to the present situation on the market in poultrymeat that the amounts of aid for such deliveries should be adjusted, taking account of their current volume and ensuring that the share of supplies from the Community is maintained;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Poultrymeat and Eggs,

HAS ADOPTED THIS REGULATION:

Article 1

Annexes II and III to Regulation (EC) No 1608/95 are replaced by the Annexes to this Regulation.

Article 2

This Regulation shall enter into force on 1 January 1996.
