Whereas the Europe Agreements with Bulgaria and Romania provide for a reduction in the levies on imports of certain cheeses covered by CN code 0406 up to certain quantities;

Whereas the Second Additional Protocols to the Interim Agreements on trade and trade-related matters and to the Europe Agreements with Romania and the Republic of Bulgaria (5) apply from 1 January 1995; whereas, in order to align the timetable of the trade provisions in the said Agreements with that of the Visegrad associated countries, the Second Additional Protocols provide for the application of the quotas for year 5 as from 1 July 1995;

Whereas additional quantities of products which can be imported under CN code ex 0406 90 from Romania and from Bulgaria have been granted for the years 1994/95 to 1998/99 to compensate Romania for the late application of certain agriculture concessions provided for in the Interim Agreement and the Republic of Bulgaria for the late entry into force of the Interim Agreement; whereas these additional quantities remain applicable, and, for the years 1996/97, 1997/98 and 1998/99 do not take into account, and are irrespective of, the quantities eligible for a levy reduction from 1996/97 onwards to be agreed under the Europe Agreements;

Whereas Regulation (EC) No 1588/94 should be amended in order to implement the abovementioned provisions of the Second Additional Protocols;
