COMMISSION REGULATION (EC) No 966/95

of 28 April 1995

fixing the rates of the refunds applicable to certain cereal and rice-products exported in the form of goods not covered by Annex II to the Treaty

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Community,

Having regard to Council Regulation (EEC) No 1766/92 of 30 June 1992 on the common organization of the market in cereals (1), as last amended by the Act of Accession of Austria, Finland and Sweden, and in particular the third subparagraph of Article 13 (2) thereof,

Having regard to Council Regulation (EEC) No 1418/76 of 21 June 1976 on the common organization of the market in rice (2), as last amended by the Act of Accession of Austria, Finland and Sweden, and in particular the first sentence of the fourth subparagraph of Article 17 (2) thereof,

Whereas Article 13 (1) of Regulation (EEC) No 1766/92 and Article 17 (1) of Regulation (EEC) No 1418/76 provide that the difference between quotations of prices on the world market for the products listed in Article 1 of each of those Regulations and the prices within the Community may be covered by an export refund;

Whereas Commission Regulation (EC) No 1222/94 of 30 May 1994 laying down common implementing rules for granting export refunds on certain agricultural products exported in the form of goods not covered by Annex II to the Treaty, and the criteria for fixing the amount of such refunds (3), as last amended by Regulation (EC) No 2296/94 (4), specifies the products for which a rate of refund should be fixed, to be applied where these products are exported in the form of goods listed in Annex B to Regulation (EEC) No 1766/92 or in Annex B to Regulation (EEC) No 1418/76 as appropriate;

Whereas, in accordance with the first subparagraph of Article 4 (1) of Regulation (EC) No 1222/94, the rate of the refund per 100 kilograms for each of the basic products in question must be fixed for each month;

Whereas, now that a settlement has been reached between the European Community and the United States of America on Community exports of pasta products to the United States and has been approved by Council Decision 87/482/EEC (5), it is necessary to differentiate the refund on goods falling within CN codes 1902 11 00 and 1902 19 according to their destination;

Whereas Council Regulation (EEC) No 990/93 (6) prohibits trade between the European Community and the Federal Republic of Yugoslavia (Serbia and Montenegro); whereas this prohibition does not apply in certain situations as comprehensively listed in Articles 2, 4, 5 and 7 thereof; whereas account should be taken of this fact when fixing the refunds;

Whereas the Management Committee for Cereals has not delivered an opinion within the time limit set by its chairman,

HAS ADOPTED THIS REGULATION:

Article 1

The rates of the refunds applicable to the basic products appearing in Annex A to Regulation (EC) No 1222/94 and listed either in Article 1 of Regulation (EEC) No 1766/92 or in Article 1 (1) of Regulation (EEC) No 1418/76, exported in the form of goods listed in Annex B to Regulation (EEC) No 1766/92 or in Annex B to Regulation (EEC) No 1418/76 respectively, are hereby fixed as shown in the Annex to this Regulation.
