COUNCIL REGULATION (EC) No 1576/96

of 30 July 1996

fixing the monthly price increases for cereals for the 1996/97 marketing year

THE COUNCIL OF THE EUROPEAN UNION,

Having regard to the Treaty establishing the European Community,

Having regard to Council Regulation (EEC) No 1766/92 of 30 June 1992 on the common organization of the market in cereals [1], and in particular Article 3 thereof,

Having regard to the proposal from the Commission [2],

Having regard to the opinion of the European Parliament [3],

Having regard to the opinion of the Economic and Social Committee [4],

Whereas, when the amounts and the number of the monthly increases are fixed and the first month in which they are to apply is determined, account should be taken of the storage costs and financing charges for storing cereals in the Community and of the need to ensure that the disposal of stocks of cereals is in line with market requirements;

Whereas, under the reform of the common agricultural policy, provision was made for the fixing of a single intervention price for all cereals; whereas this price has been fixed at a substantially reduced level applied in stages; whereas this fact should be taken into account in the fixing of the size of the monthly increases;

Whereas the intervention price for maize and sorghum applicable in July, August and September is to be the price valid in May of the previous marketing year, in accordance with Article 3 (3) of Regulation (EEC) No 1766/92,

HAS ADOPTED THIS REGULATION:

Article 1
