COMMISSION REGULATION (EC) No 2031/96

of 23 October 1996

setting export refunds on products processed from fruit and vegetables other than those granted for added sugar

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Community,

Having regard to Council Regulation (EEC) No 426/86 of 24 February 1986 on the common organization of the market in products processed from fruit and vegetables [1], as last amended by Commission Regulation (EC) No 2314/95 [2], and in particular Articles 13 (8), 14 (5) and 14a (7) thereof,

Whereas Commission Regulation (EC) No 1429/95 [3], as amended by Regulation (EC) No 341/96 [4], sets implementing rules for export refunds on products processed from fruit and vegetables;

Whereas Article 13 (1) of Regulation (EEC) No 426/86 states that, to the extent necessary to permit exports in economically significant quantities of the products referred to in Article 1 (1) (a) of that Regulation, on the basis of prices for those products in international trade, the difference between those prices and the prices in the Community may be covered by export refunds; whereas Article 14a (4) of Regulation (EEC) No 426/86 provides that, if the refund on sugar incorporated into the products listed in Article 1 (1) is insufficient to allow export of the products, the refund fixed in accordance with Article 14 is to be applicable to those products;

Whereas Article 14 (2) of Regulation (EEC) No 426/86 states that refunds must be fixed with regard to the existing situation and outlook for prices for products processed from fruit and vegetables on the Community market and supply availability, on the one hand, and prices in international trade on the other hand; whereas account must also be taken of the costs indicated at (b) in that paragraph and of the economic aspect of the envisaged exports;

Whereas refunds are, pursuant to Article 13 (1) of Regulation (EEC) No 426/86, to be set with due regard to the limits resulting from agreements concluded in accordance with Article 228 of the Treaty;

Whereas Article 14 (3) of Regulation (EEC) No 426/86 states that prices on the Community market are to be determined taking account of those most favourable from the exportation standpoint; whereas international trade prices are to be determined account taken of the prices indicated in the second subparagraph of that paragraph;

Whereas the international trade situation or the special requirements of certain markets may make it necessary to vary the refund on a given product depending on the destination of that product;

Whereas economically significant exports can be made at the present time of provisionally preserved cherries, peeled tomatoes, preserved cherries, prepared hazelnuts and orange juice;

Whereas the representative market rates as defined in Article 1 of Council Regulation (EEC) No 3813/92 [5], as last amended by Regulation (EC) No 150/95 [6], are used to convert amounts in third-country currencies and are the basis for determining the agricultural conversion rates of the Member States' currencies; whereas rules for determining and applying these conversion rates were set by Commission Regulation (EEC) No 1068/93 [7], as last amended by Regulation (EC) No 1482/96 [8];

Whereas application of the rules mentioned above to the present and forecast market situation, in particular to prices of products processed from fruit and vegetables in the Community and in international trade, leads to the refund rates set in the Annex hereto;

Whereas, pursuant to Article 13 (2) of Regulation (EEC) No 426/86, the most efficient possible use should be made of the resources available without creating discrimination between traders; whereas, therefore, care should be taken not to disturb the trade flows previously induced by the refund arrangements;
