COMMISSION REGULATION (EC) No 307/96

of 20 February 1996

amending Regulation (EEC) No 2456/93 laying down detailed rules for the application of Council Regulation (EEC) No 805/68 as regards the general and special intervention measures for beef

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to Council Regulation (EEC) No 805/68 of 27 June 1968 on the common organization of the market in beef and veal [1], as last amended by Commission Regulation (EC) No 2417/95 [2], and in particular Article 6 (7) thereof,

Whereas Commission Regulation (EEC) No 2456/93 [3], as last amended by Regulation (EC) No 2417/95, lays down in particular the conditions to be met by products bought in to intervention, in order to ensure the quality thereof; whereas provision should be made to ensure compliance with Article 4 of Commission Decision 94/474/EC of 27 July 1994 concerning certain protection measures relating to bovine spongiform encephalopathy and repealing Decisions 89/469/EEC and 90/200/EEC [4], as amended by Decision 94/794/EC [5];

Whereas Regulation (EEC) No 2456/93 also lays down provisions relating to the tendering procedure; whereas the timing of the public holidays in May 1996 make it advisable, for practical reasons, to amend the deadline for the submission of tenders;

Whereas, as a result of errors, certain provisions should be corrected;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Beef and Veal,
