Having regard to Council Regulation (EC) No 1292/96 of 27 June 1996 on food-aid policy and food-aid management and special operations in support of food security [1], and in particular Article 24 (1) (b) thereof,

Whereas the abovementioned Regulation lays down the list of countries and organizations eligible for food-aid operations and specifies the general criteria on the transport of food aid beyond the fob stage;

Whereas it is necessary to specify the time limits and conditions of supply and the procedure to be followed to determine the resultant costs;

Whereas, in order to ensure that the supplies are carried out for a given lot, provision should be made for tenderers to be able to mobilize either rape-seed oil or sunflower oil; whereas the contract for the supply of such each lot is to be awarded to the tenderer submitting the lowest tender,
