COMMISSION REGULATION (EC) No 1388/97

of 18 July 1997

on the issue of system B export licences in the fruit and vegetables sector

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Community,

Having regard to Commission Regulation (EC) No 2190/96 of 14 November 1996 on detailed rules for implementing Council Regulation (EEC) No 1035/72 as regards export refunds on fruit and vegetables [1], as last amended by Regulation (EC) No 610/97 [2], and in particular Article 5 (5) thereof,

Whereas Commission Regulation (EC) No 1120/97 [3] fixes the indicative quantities for system B export licences other than those sought in the context of food aid;

Whereas, in the light of the information available to the Commission today, the indicative quantities laid down for the current export period for tomatoes and oranges indicate there is a risk that these quantities will shortly be exceeded; whereas this overrun will prejudice the proper working of the export refund scheme in the fruit and vegetables sector;

Whereas, to avoid this situation, applications for system B licences for tomatoes and oranges exported after 18 July 1997 should be rejected until the end of the current export period,

HAS ADOPTED THIS REGULATION:

Article 1

Applications for system B licences for tomatoes and oranges submitted pursuant to Article 1 of Regulation (EC) No 1120/97, export declarations for which are accepted after 18 July 1997 and before 17 September 1997, are hereby rejected.

Article 2

This Regulation shall enter into force on 19 July 1997.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 18 July 1997.

For the Commission

Franz FISCHLER

Member of the Commission
