COMMISSION REGULATION (EC) No 889/97

of 16 May 1997

fixing the maximum buying-in price and the quantities of beef to be bought in under the 181st partial invitation to tender as a general intervention measure pursuant to Regulation (EEC) No 1627/89

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Community,

Having regard to Council Regulation (EEC) No 805/68 of 27 June 1968 on the common organization of the market in beef and veal [1], as last amended by Regulation (EC) No 2222/96 [2], and in particular Article 6 (7) thereof,

Whereas, pursuant to Commission Regulation (EEC) No 2456/93 of 1 September 1993 laying down detailed rules for the application of Council Regulation (EEC) No 805/68 as regards the general and special intervention measures for beef [3], as last amended by Regulation (EC) No 545/97 [4], an invitation to tender was opened pursuant to Article 1 (1) of Commission Regulation (EEC) No 1627/89 of 9 June 1989 on the buying in of beef by invitation to tender [5], as last amended by Regulation (EC) No 826/97 [6];

Whereas, in accordance with Article 13 (1) of Regulation (EEC) No 2456/93, a maximum buying-in price is to be fixed for quality R3, where appropriate, under each partial invitation to tender in the light of tenders received; whereas, in accordance with Article 14 of that Regulation, only tenders quoting prices not exceeding the maximum buying-in price and not exceeding the average national or regional market price, plus the amount referred to in paragraph 1 of that Article, are to be accepted;

Whereas, once tenders submitted in respect of the 181st partial invitation to tender have been considered and taking account, pursuant to Article 6 (1) of Regulation (EEC) No 805/68, of the requirements for reasonable support of the market and the seasonal trend in slaughterings, the maximum buying-in price and the quantities which may be bought in should be fixed;

Whereas, following the buying in of forequarters, the price of such products should be defined on the basis of carcase prices;

Whereas the quantities offered at present exceed the quantities which may be bought in; whereas a reducing coefficient or, where appropriate, depending on the differences in prices and the quantities tendered for, several reducing coefficients should accordingly be applied to the quantities which may be bought in in accordance with Article 13 (3) of Regulation (EEC) No 2456/93;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Beef and Veal,

HAS ADOPTED THIS REGULATION:
