COMMISSION REGULATION (EC) No 946/97

of 28 May 1997

amending Regulation (EC) No 1172/96 adopting the balance and fixing the aid for the supply of breeding rabbits to the Canary Islands under the arrangements provided for in Article 4 of Council Regulation (EEC) No 1601/92

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Community,

Having regard to Council Regulation (EEC) No 1601/92 of 15 June 1992 concering specific measures for the Canary Islands with regard to certain agricultural products [1], as last amended by Commission Regulation (EC) No 2348/96 [2], and in particular Article 4 (4),

Whereas Commission Regulation (EC) No 1172/96 [3] fixed the quantities for the supply to the archipelago, of breeding rabbits originating in the rest of the Community;

Whereas that balance can be revised during the course of the year in line with the Canary Islands' needs; whereas information supplied by the competent authorities justifies an increase in the quantity of breeding rabbits for the 1996/97 marketing year; whereas, therefore, the forecast balance for the supply to the Canary Islands of that product should be adjusted;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Poultrymeat and Eggs,

HAS ADOPTED THIS REGULATION:

Article 1

The Annex to Regulation (EC) No 1172/96 is replaced by the Annex to this Regulation.

Article 2

This Regulation shall enter into force on 1 June 1997.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 28 May 1997.

For the Commission

Franz FISCHLER

Member of the Commission
