COMMISSION REGULATION (EC) No 1318/98

of 25 June 1998

amending Regulations (EEC) No 2312/92 and (EEC) No 1148/93 laying down detailed rules for implementing the specific measures for supplying the French overseas departments with breeding bovines and horses

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Community,

Having regard to Council Regulation (EEC) No 3763/91 of 16 December 1991 introducing specific measures in respect of certain agricultural products for the benefit of the French overseas departments [1], as last amended by Regulation (EC) No 2598/95 [2], and in particular Article 4(5) thereof,

Whereas, pursuant to Article 4 of Regulation (EEC) No 3763/91, it is necessary to determine the number of pure-bred breeding bovines and horses originating in the Community which are eligible for aid with a view to encouraging the development of those sectors in the French overseas departments (FOD);

Whereas the quantities of the forecast supply balance and the level of aid for those products are fixed by Commission Regulations (EEC) No 2312/92 [3] and (EEC) No 1148/93 [4], as last amended by Regulation (EC) No 2517/97 [5]; whereas the Annexes to those Regulations should therefore be amended;

Whereas the need might arise in the French overseas departments for additional supplies of pure-bred breeding bovines and horses in particular marketing years; whereas, therefore, the French authorities should be granted some leeway in their management of the scheme so they can issue aid certificates for animals intended for certain overseas departments in excess of the maximum quantities available to those departments, on condition that the overall maximum quantity available for all four overseas departments is complied with; whereas, in order to take proper account of such additional supply requirements for subsequent marketing years, the French authorities should inform the Commission of cases in which certificates have been issued using this discretionary power;

Whereas, as a result of the presentation by the French authorities of information on the needs of the French overseas departments, it has not been possible to establish the forecast balance for the entire 1998/99 marketing year; whereas the Annexes to Regulations (EC) No 2312/92 and (EC) No 1148/93 should therefore be replaced by the Annexes to this Regulation for the period 1 July to 31 December 1998; whereas, for future campaigns the balances shall be fixed on the basis of the calendar year;

Whereas application of the criteria for fixing the amount of Community aid to the current market situation in the sector in question and, in particular, to the exchange rates and prices for those products in the European part of the Community and on the world market, gives rise to aid for the supply of the FODs with pure-bred breeding animals at the levels fixed in the Annex hereto;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Beef and Veal,

HAS ADOPTED THIS REGULATION:

Article 1

Annex III to Regulation (EC) No 2312/92 is replaced by Annex I to this Regulation.

Article 2

The Annex to Regulation (EC) No 1148/93 is replaced by Annex II to this Regulation.

This Regulation shall enter into force on the day of its publication in the *Official Journal of the European Communities*.
