COMMISSION REGULATION (EC) No 499/98

of 2 March 1998

fixing the export refunds on pigmeat

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Community,

Having regard to Council Regulation (EEC) No 2759/75 of 29 October 1975 on the common organization of the market in pigmeat [1], as last amended by the Act of Accession of Austria, Finland and Sweden and by Regulation (EC) No 3290/94 [2], and in particular the second paragraph of Article 13 (3) thereof,

Whereas Article 13 of Regulation (EEC) No 2759/75 provides that the difference between prices on the world market for the products listed in Article 1 (1) of that Regulation and prices for these products within the Community may be covered by an export refund;

Whereas it follows from applying these rules and criteria to the present situation on the market in pigmeat that the refund should be fixed as set out below;

Whereas, in the case of products falling within CN code 0210 19 81, the refund should be limited to an amount which takes account of the qualitative characteristics of each of the products falling within these codes and of the foreseeable trend of production costs on the world market; whereas it is important that the Community should continue to take part in international trade in the case of certain typical Italian products falling within CN code 0210 19 81;

Whereas, because of the conditions of competition in certain third countries, which are traditionally importers of products falling within CN codes 1601 00 and 1602, the refund for these products should be fixed so as to take this situation into account; whereas steps should be taken to ensure that the refund is granted only for the net weight of the edible substances, to the exclusion of the net weight of the bones possibly contained in the said preparations;

Whereas, since economically significant quantities of other pigmeat products are not being exported at present, there is no need to fix a refund for these products;

Whereas Article 13 of Regulation (EEC) No 2759/75 provides that the world market situation or the specific requirements of certain markets may make it necessary to vary the refund on the products listed in Article 1 (1) of Regulation (EEC) No 2759/75 according to destination;

Whereas the refunds should be fixed taking account of the amendments to the refund nomenclature established by Commission Regulation (EEC) No 3846/87 [3], as last amended by Regulation (EC) No 409/98 [4];

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Pigmeat,

HAS ADOPTED THIS REGULATION:

Article 1

The list of products on which the export refund specified in Article 15 of Regulation (EEC) No 2759/75 is granted and the amount of the refund shall be as set out in the Annex hereto.

Article 2

This Regulation shall enter into force on 4 March 1998.

This Regulation shall be binding in its entirety and directly applicable in all Member States.
