THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Community,

Having regard to Council Regulation (EC) No 2202/96 of 28 October 1996 introducing a Community aid scheme for producers of certain citrus fruits [1], as amended by Regulation (EC) No 858/1999 [2], and in particular Article 6 thereof,

Article 5(2) of that Regulation provides that, for each marketing year, any overrun of the processing threshold is to be assessed on the basis of the average quantity processed with benefit of the aid during the last three marketing years, including the current marketing year. Article 5(3) of that Regulation provides that where an overrun has been established, the aid fixed for the current marketing year in the Annex to that Regulation is to be reduced by 1 % per 3 200 tonnes of the overrun;

(2) in accordance with Article 22(1)(b) of Commission Regulation (EC) No 1169/97 of 26 June 1997 laying down detailed rules for the application of Council Regulation (EC) No 2202/96 introducing a Community aid scheme for producers of certain citrus fruits [3], as last amended by Regulation (EC) No 1082/1999 [4], the Member States have notified the Commission of the quantities of mandarins, clementines and satsumas delivered for processing in respect of the 1998/99 marketing year under Regulation (EC) No 2202/96. On the basis of those figures and of the quantities processed with aid in the 1996/97 and 1997/98 marketing years, an overrun of the processing threshold 38 173 tonnes has been established. The aid for mandarins, clementines and satsumas laid down in the Annex to Regulation (EC) No 2202/96 for the 1998/99 marketing year should accordingly be reduced by 11 %;
