THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Community,

Having regard to Council Regulation (EEC) No 822/87 of 16 March 1987 on the common organisation of the market in wine [1], as last amended by Regulation (EC) No 1677/1999 [2],

Having regard to Council Regulation (EEC) No 3877/88 of 12 December 1988 laying down general rules for the disposal of alcohol obtained from the distillation operations referred to in Articles 35, 36 and 39 of Regulation (EEC) No 822/87 and held by intervention agencies [3],

Whereas:

(1) Commission Regulation (EEC) No 377/93 [4], as last amended by Regulation (EC) No 1448/97 [5], lays down detailed rules for the disposal of alcohol obtained from the distillation operations referred to in Articles 35, 36 and 39 of Regulation (EEC) No 822/87 and held by intervention agencies;

(2) individual invitations to tender should be opened for the export of vinous alcohol to certain Caribbean and Central American countries so as to guarantee continuity of supplies to those countries and reduce the Community stock of vinous alcohol;

(3) a specific security should be provided for to ensure that the alcohol is physically exported from the customs territory of the Community and non-compliance with the date laid down for export should be progressively penalised; whereas this security must be independent of the performance guarantee ensuring that the alcohol is removed from storage and the awarded alcohol is used for the purposes laid down;

(4) since Council Regulation (EC) No 2799/98 of 15 December 1998 on establishing agrimonetary arrangements for the euro [6], tender prices and guarantees must be expressed in euro and payments must be made in euro;

Article 4

The sales shall take place in accordance with Articles 13 to 18, 30 to 34 and 36 to 38 of Regulation (EEC) No 377/93, and Article 2 of Regulation (EC) No 2799/98.

However, notwithstanding Article 15 of Regulation (EEC) No 377/93, the final date for the submission of tenders for the invitations to tender referred to in this Regulation, shall fall between the eighth and the 25th day following the date of publication of the individual invitations to tender.

Article 5

1. The tendering security referred to in Article 15 of Regulation (EEC) No 377/93 shall be EUR 362 200 for the total quantity of alcohol offered for sale in each of the invitations to tender referred to in Article 1.

Maintenance of the tender after the time limit for submitting tenders and the lodging of a guarantee to ensure export and of a performance guarantee shall constitute the primary requirements within the meaning of Article 20 of Commission Regulation (EEC) No 2220/85 [1] as regards the tendering security.

The tendering security lodged for each of the invitations to tender referred to in Article 1 shall be released immediately if the tender is not accepted or if the successful tenderer had lodged the entire guarantee to ensure export and the entire performance guarantee for the invitation to tender in question.

2. The guarantee to ensure export shall be EUR 5 per hectolitre of alcohol at 100 % volume and shall be lodged for each quantity of alcohol for which there is a removal order under each of the invitations to tender referred to in Article 1 of this Regulation.

This guarantee shall be released only by the intervention agency holding the alcohol for each quantity of alcohol for which proof has been furnished that it has been exported within the time limit laid down in Article 6 of this Regulation. Notwithstanding Article 23 of Regulation (EEC) No 2220/85, and except in cases of *force majeure*, where the time limit referred to in Article 6 has not been complied with, the guarantee to ensure export of EUR 5 per hectolitre of alcohol at 100 % volume shall be forfeit as follows:

(a) 15 % in all cases;

(b) 0,33 % of the amount remaining after deduction of the 15 %, for each day the time limit in question is exceeded.

3. The performance guarantee shall be EUR 25 per hectolitre of alcohol at 100 % volume.

This guarantee shall be released in accordance with Article 34(3)(b) of Regulation (EEC) No 377/93.

4. Notwithstanding Article 17 of Regulation (EEC) No 377/93, the guarantees on export and performance shall be lodged simultaneously with each intervention agency concerned, for each of the invitations to tender referred to in Article 1 of this Regulation not later than the day of issue of a removal order for the quantity of alcohol concerned.

Article 6

1. The alcohol awarded under the invitations to tender referred to in Article 1 shall be exported by 30 June 2000 at the latest.

2. The alcohol awarded shall be used within two years from the date of first removal.

Article 7

To be valid, tenders must indicate the place where end use of the alcohol awarded is to take place and must include an undertaking by the tenderer to the effect that the alcohol will be sent to that destination and used for that purpose. The tender shall also include proof following the entry into force of this Regulation that the tenderer has binding commitments with an operator in the motor fuel sector in one of the third countries listed in Article 2 who has undertaken to dehydrate the alcohol awarded in one of those countries and to export it for use solely as motor fuel.

Article 8

1. Before the awarded alcohol is removed, the intervention agency and the successful tenderer shall take a reference sample and shall analyse that sample to verify the alcoholic strength expressed in % volume of the alcohol in question.

Where the final results of the analysis of the sample show a difference between the alcoholic strength by volume of the alcohol to be removed and the minimum alcoholic strength by volume stated in the notice of invitation to tender, the following provisions shall apply:

(i) the intervention agency shall, the same day, inform the Commission thereof in accordance with Annex II, as well as the storer and the successful tenderer;

(ii) the successful tenderer may:

— either agree to take over the lot with its characteristics as established, subject to the Commission's agreement,

— or refuse to take over the lot in question.

In either case, the successful tenderer shall, the same day, inform the intervention agency and the Commission thereof in accordance with Annex III.

[1] OJ L 205, 3.8.1985, p. 5.

Once these formalities have been completed, if he has refused to take over the lot concerned, he shall be immediately released from all his obligations relating to that lot.

2. Where the successful tenderer refuses the merchandise, as provided for in paragraph 1, the intervention agency shall supply him with another quantity of alcohol of the requisite quality, at no extra charge, within a maximum of eight days.

3. If physical removal of the alcohol is delayed by more than five working days in relation to the date of acceptance of the lot to be removed by the successful tenderer for reasons attributable to the intervention agency, the Member State shall be responsible for the payment of compensation.

Article 9

Notwithstanding the first subparagraph of Article 36(2) of Regulation (EEC) No 377/93, the alcohol contained in the vats indicated in the communication from the Member States referred to in Article 36 of Regulation (EEC) No 377/93 and covered by the invitation to tender referred to in Article 1 of this Regulation may be substituted by alcohol of the same type by the intervention agency holding the alcohol concerned in agreement with the Commission, or mixed with other alcohol delivered to the intervention agency until a removal order is issued for that alcohol, in particular for logistical reasons.

Article 10

This Regulation shall enter into force on the day of its publication in the *Official Journal of the European Communities*.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 12 November 1999.
