THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Community,

Having regard to Council Regulation (EEC) No 3763/91 of 16 December 1991 introducing specific measures in respect of certain agricultural products for the benefit of the French overseas departments [1], as last amended by Regulation (EC) No 1257/1999 [2], and in particular Article 3(5) thereof,

Whereas:

(1) Article 3(1) of Regulation (EEC) No 3763/91 introduces an exemption scheme for duties on imports into French Guiana and aid for the supply by the rest of the Community of certain cereal products used in feedingstuffs;

(2) the supply balance for these products for the department of Guiana should be drawn up on the basis of feedingstuffs requirements based on the notifications sent by the competent authorities for the year 2000;

(3) Commission Regulation (EEC) No 388/92 [3], as last amended by Regulation (EC) No 1387/1999 [4], lays down detailed rules for the implementation of the specific arrangements for the supply of cereal products to the French overseas departments. Those provisions, which supplement Commission Regulation (EEC) No 131/92 [5] for the cereals sector, as last amended by Regulation (EC) No 1736/96 [6], apply to cereals used in feedingstuffs as referred to in this Regulation;

(4) in accordance with Regulation (EEC) No 3763/91, the amount of the aid for the supply of Community products must be determined in such a way that users are supplied on terms equivalent to exemption from levies on imports from the world market. Fixing the aid at an amount equal to the export refund plus a fixed component to take account of conditions for deliveries of small quantities will satisfy this aim;

(5) this Regulation should apply from 1 January 2000;

(6) the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Cereals,
