COUNCIL REGULATION (EC) No 47/1999

of 22 December 1998

on the arrangements for imports of certain textile products originating in Taiwan

THE COUNCIL OF THE EUROPEAN UNION,

Having regard to the Treaty establishing the European Community, and in particular Article 113 thereof,

Having regard to the proposal from the Commission,

Whereas Council Regulation (EC) No 3060/95 of 22 December 1995 on the arrangements for imports of certain textile products originating in Taiwan [1] applies until 31 December 1998;

Whereas these arrangements should be maintained beyond that date pending Taiwan's accession to the World Trade Organisation;

Whereas, in order, *inter alia*, to ensure compliance with the objectives of this Regulation, the release for free circulation of the products in question should be made subject to import authorisation on presentation of an export document issued in Taiwan by a body affording all the necessary guarantees;

Whereas it is necessary to provide that neither handicraft or traditional folklore products, for which an appropriate certification system will be devised, nor products introduced into the customs territory of the Community under the inward processing rules or under other temporary admission rules and re-exported from that territory in the same state or after processing are to be set off against the abovementioned quantitative limits;

Whereas provision should be made for introducing, where certain conditions are fulfilled, quantitative limits on textile products which are included in the import arrangements applicable to Taiwan but for which no quantitative limit has been fixed;

Whereas it should be possible, where it is found that products originating in Taiwan and subject to this Regulation have been imported into the Community in an attempt to evade the provisions of this Regulation, to deduct the quantity of goods concerned from the appropriate quantitative limits established pursuant to this Regulation;

Whereas it should be possible to introduce specific quantitative limits for products obtained under the outward processing relief arrangements;

Whereas the import arrangements in force at present expire on 31 December 1998; whereas it is necessary to provide for transitional arrangements in respect of products shipped before 1 January 1999,

HAS ADOPTED THIS REGULATION:

Article 1

1. From 1 January 1999 to 31 December 2001 importation into the Community of the textile products falling within the categories listed in Annex I shall be governed by the provisions of this Regulation.

2. Classification shall be based on the combined nomenclature (CN).

3. Subject to the provision of this Regulation, importation into the Community of the textile products referred to in paragraph 1 shall not be subject to quantitative restrictions or to measures having equivalent effect.

Article 2

1. In 1999, 2000 and 2001 importation into the Community of textile products listed in Annex II and

[1] OJ L 326, 30.12.1995, p. 25.

originating in Taiwan shall be effected within the limits of quantitative Community limits laid down in the said Annex.

2. For the purposes of the application of this Regulation, the concept of originating products, as well as the means of monitoring their origin, shall be those defined by the relevant Community rules in force.

3. Subject to the other provisions of this Article, the release for free circulation in the Community of the products referred to in paragraph 1 shall be subject to the presentation of an import authorisation issued by the Member States' authorities at the importer's request, on presentation by the said importer of an export document conforming to the model in Annex III, issued by the Taiwan Textile Federation.

4. The authorities of the Member State of import shall issue the import authorisation in conformity with the rules and procedures established in Regulation (EEC) No 3030/93 [1].

Imports authorised in accordance with the provisions of the first subparagraph shall be set off against the quantitative limits established for the year in which the products were shipped in Taiwan.

For the purposes of this Regulation, shipment of the goods is considered to have taken place on the date of their loading on the exporting aircraft, vehicle or vessel.

5. The release after 1 January 1999 for free circulation in the Community of the products covered by this Regulation shall be subject to the import arrangements which were in force before that date, provided that the products were loaded on board in Taiwan before 1 January 1999.

6. Should it appear that additional supplies of a product listed in Annex II are required in the Community importation of amounts greater than those mentioned in Annex II may be authorised in accordance with the procedure laid down in Article 9.

7. The definition of quantitative limits laid down in Annex II and of the categories of products to which they apply shall be adapted in accordance with the procedure laid down in Article 9, where this proves necessary to ensure that any subsequent amendment to the combined nomenclature or a decision amending the classification of such products does not result in a reduction of such quantitative limits.

Article 3

1. Imports of textile products of the categories to which this Regulation applies, originating in Taiwan and not listed in Annex II, may be made subject to quantitative limits where the level of those imports exceeds the level of the total imports in the Community of the same products in the preceding year by the following percentages:

— for the categories of products in Group I: 0,4 %,

— for the categories of products in Group II: 2 %,

— for the categories of products in Group III: 6 %.

2. Such limits may not be set at an annual level lower than 106 % of the volume of imports during the year preceding that in which imports exceeded the threshold established in accordance with paragraph 1, nor lower than the level established under paragraph 1, nor lower than the 1998 volume of imports of the category of products in question originating in Taiwan.

3. The limits referred to in paragraphs 1 and 2 shall be introduced in accordance with the procedure referred to in Article 9.

4. The provisions for the administration of the quantitative limits laid down in Articles 2, 4, and Articles 6 to 8 of this Regulation, shall apply to quantitative limits established pursuant to this Article, save for any different provisions adopted in accordance with the procedure referred to in Article 9.

Article 4

1. According to the procedure envisaged in Article 9, imports in excess of the quantitative limits laid down in Article 2, may be authorised either by carrying over unused quantities from the quantitative limits of the preceding year or by advance drawing on the quantitative limits for the following year, provided that such carry-over and advance drawing does not exceed respectively 7 % and 5 % of the quantitative limit to be increased.

2. According to the procedure envisaged in Article 9, the Community may authorise the transfer of unused quantities from one quantitative limit to another quantitative limit within the following limits only:

— between categories 2 and 3 of Group I: 4 % of the quantitative limit to which the transfer is made,

[1] OJ L 275, 8.11.1993, p. 1. Regulation as last amended by Regulation (EC) No 1053/98 (OJ L 151, 25.5.1998, p. 10).

— between categories 4 and 8 of Group I: 4 % of the quantitative limit to which the transfer is made,

— from the categories in Groups I, II and III to categories in Groups II and III: 5 % of the quantitative limit to which the transfer is made.

The table of equivalencies applying to the transfers referred to in the first subparagraph is given in Annex I.

3. The cumulative application of the flexibility arrangements set out in the preceding paragraphs may not exceed, with regard to each quantitative limit, 12 %.

Article 5

Where the Commission finds that products originating in Taiwan which are subject to quantitative limits established pursuant to this Regulation have been transhipped, rerouted or otherwise imported into the Community in circumvention of this Regulation and where there is clear proof of such circumvention, in accordance with the procedure laid down in Article 9, amounts shall be deducted from the quantitative limits established pursuant to this Regulation equivalent to the amount of the products concerned originating in Taiwan.

Article 6

Specific limits for products resulting from economic outward processing operations fulfilling the conditions set out in Regulation (EC) No 3036/94 [1] may be established, in accordance with the procedure described in Article 9, in respect of the products listed in Annex II or subject to quantitative limits pursuant to Article 3.

Article 7

Products referred to in Article 1 which are brought into the customs territory of the Community under inward processing arrangements or under other temporary admission arrangements and re-exported from that territory in an unaltered state or after processing shall not be charged against the quantitative limits referred to in Articles 2 and 3.

Article 8

1. Products referred to Article 1 shall not be set off against the quantitative limits referred to in Articles 2 and 3 if they comply with the criteria set out below:

(a) fabrics, woven on handlooms entirely operated by hand or foot, of a traditional variety made by the cottage industry in Taiwan;

(b) clothes or other textile articles of a traditional variety fabricated by the cottage industry in Taiwan, obtained manually from fabrics described above and handsewn without the aid of machinery;

(c) handmade traditional folklore textile products made by the cottage industry in Taiwan.

2. For the application of paragraph 1, products must on importation, be accompanied by a certificate conforming to the model in Annex IV and issued by the Taiwan Textile Federation.

Article 9

The Commission representative, who shall chair the committee, shall submit to the committee a draft of the measures to be taken. In the case of votes within the committee, the votes of the Member States' representatives shall be weighted in accordance with the abovementioned Article. The chairman shall not vote.

The Commission shall adopt the measures proposed where they are in conformity with the committee's opinion.

Where the measures proposed are not in conformity with the committee's opinion, or where no opinion has been given, the Commission shall submit to the Council without delay a proposal for the measures to be taken. The Council shall act by a qualified majority.

Should the Council fail to take a decision within one month of the date on which the proposal was laid before it, the Commission shall adopt the proposed measures.
