COMMISSION REGULATION (EC) No 10/2000
of 4 January 2000
on the issue of system B export licences in the fruit and vegetables sector

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Community,

Having regard to Commission Regulation (EC) No 2190/96 of 14 November 1996 on detailed rules for implementing Council Regulation (EC) No 2200/96 as regards export refunds on fruit and vegetables [1], as last amended by Regulation (EC) No 1303/1999 [2], and in particular Article 5(5) thereof,

(1) Whereas Commission Regulation (EC) No 2331/1999 [3], fixes the indicative quantities for system B export licences other than those sought in the context of food aid;

(2) Whereas, in the light of the information available to the Commission today, there is a risk that the indicative quantities laid down for the current export period for shelled almonds will shortly be exceeded; whereas this overrun will prejudice the proper working of the export refund scheme in the fruit and vegetables sector;

(3) Whereas, to avoid this situation, applications for system B licences for shelled almonds exported after 4 January 2000 should be rejected until the end of the current export period,

HAS ADOPTED THIS REGULATION:

Article 1

Applications for system B export licences for shelled almonds submitted pursuant to Article 1 of Regulation (EC) No 2331/1999, export declarations for which are accepted after 4 January 2000 and before 24 January 2000, are hereby rejected.

Article 2

This Regulation shall enter into force on 5 January 2000.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 4 January 2000.
