COMMISSION REGULATION (EC) No 1376/2000

of 28 June 2000

amending Regulation (EEC) No 2999/92 laying down detailed rules for the application of the specific measures for the supply of processed fruit and vegetables to Madeira and establishing the forecast supply balance for the period 1 July 2000 to 30 June 2001

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Community,

Having regard to Council Regulation (EEC) No 1600/92 of 15 June 1992 concerning specific measures for the Azores and Madeira with regard to certain agricultural products [1], as last amended by Regulation (EC) No 1257/1999 [2], and in particular Article 10 thereof,

Whereas:

(1) The quantities of products eligible for the specific supply arrangements are determined by means of periodic forecast balances which may be revised according to the essential requirements of the market taking into account local production and traditional trade flows.

(2) Commission Regulation (EEC) No 2999/92 [3], as last amended by Regulation (EC) No 1385/1999 [4], lays down detailed rules for the application of the specific measures for the supply of processed fruit and vegetables to Madeira and the forecast balance fixing the quantities eligible for the specific supply arrangements for the period 1 July 1999 to 30 June 2000.

(3) Evaluation of the requirements of the Madeira market for the period 1 July 2000 to 30 June 2001 has led to establishment of a forecast supply balance as set out in the Annex.

(4) The supply arrangements are applicable from 1 July. As a result, provision should be made for this Regulation to apply immediately.

(5) The measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Products Processed from Fruit and Vegetables,

HAS ADOPTED THIS REGULATION:
