COMMISSION REGULATION (EC) No 1519/2000

of 12 July 2000

setting for the 2000/01 marketing year the minimum price and the amount of production aid for processed tomato products

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Community,

Having regard to Council Regulation (EC) No 2201/96 of 28 October 1996 on the common organisation of the markets in processed fruit and vegetable products [1], as last amended by Regulation (EC) No 2701/1999 [2], and in particular Articles 3(3) and 4(9) thereof,

Whereas:

(1) Under Article 3(1) of Regulation (EC) No 2201/96 the minimum price to be paid to producers is to be determined on the basis of the minimum price applying during the previous marketing year, changes in prices in the fruit and vegetable sector and the need to ensure the normal marketing of fresh products for the various uses, including supply to the processing industry.

(2) Commission Regulation (EEC) No 2022/92 [3], which lays down detailed rules of application for the minimum price to be paid to producers for certain tomatoes used in the production of tomato concentrate, juice and flakes on the basis of the soluble dry weight content, should continue to apply.

(3) Article 4 of Regulation (EC) No 2201/96 lays down the criteria for fixing the amount of production aid. Account must, in particular, be taken of the aid fixed or calculated before the reduction provided for in paragraph 10 of that Article for the previous marketing year, adjusted to take account of changes in the minimum price to be paid to producers and the difference between the cost of the raw material in the Community and in the major competing third countries. In respect of tomato concentrates, preserved whole peeled and unpeeled tomatoes and tomato juices, changes in the volume and prices of imports must be taken into consideration.

(4) Article 4(10) of Regulation (EC) No 2201/96 stipulates that the aid set for tomato concentrates and their derivatives is to be reduced by 5,37 %. A supplement to the reduced aid is to be paid on the basis of the quantities of tomato concentrate produced for France and Portugal.

(5) The Management Committee for Products Processed from Fruit and Vegetables has not delivered an opinion within the time limit set by its Chairman,

HAS ADOPTED THIS REGULATION:
