COMMISSION REGULATION (EC) No 757/2000

of 12 April 2000

opening an invitation to tender for the reduction in the duty on maize imported into Portugal from third countries

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Community,

Having regard to Council Regulation (EEC) No 1766/92 of 30 June 1992 on the common organisation of the market in cereals [1], as last amended by Regulation (EC) No 1253/1999 [2], and in particular Article 12(1) thereof,

Whereas:

(1) Pursuant to the Agreement on Agriculture concluded during the Uruguay Round of multilateral trade negotiations, the Community has undertaken to import a certain quantity of maize into Portugal.

(2) Commission Regulation (EC) No 1839/95 of 26 July 1995 laying down detailed rules for the application of tariff quotas for imports of maize and sorghum into Spain and imports of maize into Portugal [3], as amended by Regulation (EC) No 1963/95 [4], lays down the rules governing the administration of those special arrangements. This Regulation lays down the special additional detailed rules necessary for implementing the invitation to tender, in particular those relating to the lodging and release of the security to be lodged by operators to ensure compliance with their obligations and, in particular, the obligation to process or use the imported product on the Portuguese market.

(3) In the light of current market needs in Portugal, an invitation to tender for the reduction in the duty on imports of maize should be opened in the framework of these special arrangements for imports.

(4) As a result of the temporary closure of the Danube to trade, transport costs for maize originating in countries through which that river flows and which no longer have access by sea to the Iberian peninsula have increased considerably. Accordingly, the rate of duty applying to such imports no longer reflects the real impact of the costs of transport. As a consequence, to take these facts into account a further reduction should be made in the import duty for the purposes of invitations to tender opened by this Regulation.

(5) The Management Committee for Cereals has not delivered an opinion within the time limit set by its chairman,

HAS ADOPTED THIS REGULATION:

Article 2

Import licences issued under these invitations to tender shall be valid 50 days from the date they are issued, within the meaning of Article 10(4) of Regulation (EC) No 1839/95.

Article 3

The reduction in duty granted under the invitations to tender shall be increased by EUR 10 per tonne for imports originating in landlocked countries through which the Danube flows.
