COUNCIL REGULATION (EC) No 1089/2003

of 18 June 2003

adopting autonomous and transitional measures concerning the importation of certain processed agricultural products originating in the Slovak Republic and the exportation of certain processed agricultural products to the Slovak Republic

THE COUNCIL OF THE EUROPEAN UNION,

Having regard to the Treaty establishing the European Community and in particular Article 133 thereof,

Having regard to the proposal from the Commission,

Whereas:

(1) Protocol 3 to the Europe Agreement between the European Communities and the Slovak Republic, approved by Decision 94/909/EC, ECSC, Euratom of the Council and the Commission of 19 December 1994 concerning the conclusion of a Europe Agreement establishing an association between the European Communities and their Member States, of the one part, and the Slovak Republic, of the other part ([1]), provides for tariff concessions for processed agricultural products originating in the Slovak Republic. Protocol 3 was amended by the Protocol for the adaptation of trade aspects of the Europe Agreement with the Slovak Republic ([2]), hereinafter referred to as the 'Adaptation Protocol', which was approved by Council Decision 98/638/EC ([3]).

(2) A trade agreement has been concluded, which amends Protocol 3. The agreement aims to improve economic convergence in preparation for the accession of the Slovak Republic to the European Union and is scheduled to enter into force no later than 1 June 2003. On the Community side that agreement lays down concessions in the form of complete liberalisation of trade for certain processed agricultural products and duty-free quotas for others. For imports outside of those quotas the provisions laid down in Protocol 3 continue to apply.

(3) The procedure for adopting a decision to amend the Adaptation Protocol will not be completed in time for its entry into force on 1 July 2003. It is therefore necessary to provide for the application of the tariff concessions made to the Slovak Republic on an autonomous basis as from 1 July 2003.

([2]) OJ L 306, 16.11.1998, p. 3.
([3]) OJ L 306, 16.11.1998, p. 1.

(4) For the importation of certain agricultural products no customs duties should be applied and for others duty-free quotas should be opened.

(5) Commission Regulation (EC) No 2359/2002 of 27 December 2002 on the opening of tariff quotas for the year 2003 for imports into the European Community of certain products originating in the Czech Republic, Romania and Slovakia ([4]) should continue to apply for certain goods covered by Protocol 3 but not listed in this Regulation.

(6) On processed agricultural products covered by Protocol 3 but not listed in this Regulation or for which the quotas opened by this Regulation are exhausted, the trade provision laid down in Protocol 3 should continue to apply.

(7) Processed agricultural products not covered by Annex I to the Treaty should not be eligible for export refunds under Commission Regulation (EC) No 1520/2000 of 13 July 2000 laying down common detailed rules for the application of the system of granting export refunds on certain agricultural products exported in the form of goods not covered by Annex I to the Treaty, and the criteria for fixing the amount of such refunds ([5]).

(8) Commission Regulation (EEC) No 2454/93 of 2 July 1993 laying down provisions for the implementation of Council Regulation (EEC) No 2913/92 establishing the Community Customs Code ([6]) provides for a system for managing tariff quotas. The tariff quotas opened by this Regulation should be managed by the Community authorities and the Member States in accordance with that system.

(9) The measures necessary for the implementation of this Regulation should be adopted in accordance with Council Decision 1999/468/EC of 28 June 1999 laying down the procedures for the exercise of implementing powers conferred on the Commission [1],
