# COMMISSION REGULATION (EC) No 1288/2004

## of 14 July 2004

## concerning the permanent authorisation of certain additives and the provisional authorisation of a new use of an additive already authorised in feedingstuffs

**(Text with EEA relevance)**

*Article 1*

The preparations belonging to the group ‘Colourants, including pigments’ and ‘Micro-organisms’, as set out in Annex I, are authorised for use without a time limit as additives in animal nutrition under the conditions laid down in that Annex.

*Article 2*

The preparation belonging to the group ‘micro-organisms’, as set out in Annex II, is provisionally authorised for use as an additive in animal nutrition under the conditions laid down in that Annex.

*Article 3*

This Regulation shall enter into force on the third day following that of its publication in the *Official Journal of the European Union*.

This Regulation shall be binding in its entirety and directly applicable in all Member States

▼B

*ANNEX I*

| EC No | Additive | Chemical formula, description | Species or category of animal | Maximum age | Minimum content | Maximum content | Other provisions | End of period of authorisation |
|---|---|---|---|---|---|---|---|---|
| | | | | | mg/kg of complete feedingstuff | | | |
| **Colourants, including pigments** | | | | | | | | |
| 1. *Carotenoids and xanthophylls* | | | | | | | | |
