COMMISSION REGULATION (EC) No 1990/2004

of 19 November 2004

laying down transitional measures in the wine sector by reason of the accession of Hungary to the European Union

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Community,

Having regard to the Treaty of Accession of the Czech Republic, Estonia, Cyprus, Latvia, Lithuania, Hungary, Malta, Poland, Slovenia and Slovakia,

Having regard to the Act of Accession of the Czech Republic, Estonia, Cyprus, Latvia, Lithuania, Hungary, Malta, Poland, Slovenia and Slovakia, and in particular the first subparagraph of Article 41 thereof,

Whereas:

(1) Article 27(3) of Council Regulation (EC) No 1493/1999 of 17 May 1999 on the common organisation of the market in wine ([1]) lays down that any natural or legal person or group of persons having made wine is required to deliver for distillation all the by-products of that winemaking.

(2) Commission Regulation (EC) No 1623/2000 of 25 July 2000 laying down detailed rules for implementing Regulation (EC) No 1493/1999 on the common organisation of the market in wine with regard to market mechanisms ([2]) establishes the rules applicable to such distillation and Article 49 thereof provides for certain exceptions to that obligation.

(3) Hungary has adopted the necessary measures for carrying out this distillation, but the capacity of distilleries for processing the by-products is as yet inadequate. Moreover, for the 2004/2005 marketing year, a sizeable crop is anticipated. Hungary should therefore be authorised to exempt certain categories of producers from the obligation to distil by-products of wine-making.

(4) In order that the exception granted to Hungary may be applied to the entire wine year, this Regulation should apply from 1 August 2004.

(5) The measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Wine,

HAS ADOPTED THIS REGULATION:

Article 1

By way of exemption from Article 49(4)(a) of Regulation (EC) No 1623/2000, Hungary may lay down that, ►M2 for the 2004/05, 2005/06 and 2006/07 marketing years ◄, producers who do not exceed a production level of 500 hl obtained personally on their individual premises may fulfil the obligation to deliver by-products for distillation by having those products withdrawn under supervision.

Article 2

This Regulation shall enter into force on the day of its publication in the *Official Journal of the European Union*.

It shall apply from 1 August 2004.
