COMMISSION REGULATION (EC) No 305/2005

of 19 October 2004

amending Council Regulation (EC) No 312/2003 as regards tariff quotas for certain products originating in Chile

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Community,

Having regard to Council Regulation (EC) No 312/2003 of 18 February 2003 implementing for the Community the tariff provisions laid down in the Agreement establishing an association between the European Community and its Member States, of the one part, and the Republic of Chile, of the other part ([1]), and in particular Article 5 thereof,

Whereas:

(1) Regulation (EC) No 312/2003 implements for the Community the tariff provisions laid down in the Agreement establishing an association between the Community and its Member States, of the one part, and the Republic of Chile, of the other part ([2]).

(2) By Council Decision 2005/106/EC ([3]) has approved a Protocol to the Association Agreement between the European Community and its Member States, of the one part, and the Republic of Chile, of the other part, to take account of the accession of the Czech Republic, the Republic of Estonia, the Republic of Cyprus, the Republic of Hungary, the Republic of Latvia, the Republic of Lithuania, the Republic of Malta, the Republic of Poland, the Republic of Slovenia, and the Slovak Republic to the European Union (hereinafter referred to as the Protocol). The Protocol includes new Community tariff concessions, some of which are limited by tariff quotas. Implementation of these tariff quotas requires the amendment of Regulation (EC) No 312/2003.

(3) The volume of the tariff quotas for garlic (order No 09.1925), table grapes (order No 09.1929) and kiwifruit (order No 09.1939) should be increased annually by five percent of the original quantity.

(4) For 2004, the volume of the new Community tariff quotas should be limited in proportion to the period during which the new tariff quotas are open.

(5) Since the Protocol provides that the new Community tariff concessions have to be applied from 1 May 2004, this Regulation should apply from the same date and enter into force as soon as possible.

(6) The measures provided for in this Regulation are in accordance with the opinion of the Customs Code Committee,
