REGULATIONS

COMMISSION REGULATION (EU) No 997/2010

of 5 November 2010

suspending the introduction into the Union of specimens of certain species of wild fauna and flora

THE EUROPEAN COMMISSION,

Having regard to the Treaty on the Functioning of the European Union,

Having regard to Council Regulation (EC) No 338/97 of 9 December 1996 on the protection of species of wild fauna and flora by regulating trade therein [1], and in particular Article 19(2) thereof,

After consulting the Scientific Review Group,

Whereas:

(1) Article 4(6) of Regulation (EC) No 338/97 provides that the Commission may establish restrictions to the introduction of certain species into the Union in accordance with the conditions laid down in points (a) to (d) thereof. Furthermore, implementing measures for such restrictions have been laid down in Commission Regulation (EC) No 865/2006 of 4 May 2006 laying down detailed rules concerning the implementation of Council Regulation (EC) No 338/97 of the protection of species of wild fauna and flora by regulating trade therein [2].
