COMMISSION IMPLEMENTING REGULATION (EU) No 686/2012

of 26 July 2012

allocating to Member States, for the purposes of the renewal procedure, the evaluation of active substances

▼B

(Text with EEA relevance)

Article 1

For the purposes of the renewal procedure, the evaluation of each active substance set out in the first column of the Annex, is allocated to a rapporteur Member State, as set out in the second column of that Annex, and to a co-rapporteur Member State, as set out in the third column of that Annex.

Article 2

This Regulation shall enter into force on the twentieth day following that of its publication in the *Official Journal of the European Union*.

This Regulation shall be binding in its entirety and directly applicable in all Member States.
