Article 2

Allocation of maximum quantities to Member States

▼M1

1. The support referred to in Article 1(1) shall be made available to Member States for the following quantities of products:

(a) for the period referred to in Article 1(3)(a), the quantities set out in Annex I;

(b) for the period referred to in Article 1(3)(b), the quantities set out in Annex Ia;

▼M2

(c) for the period referred to in Article 1(3)(c), the quantities set out in Annex Ib.

For each of the periods referred to in Article 1(3)(a) and (c), that support shall also be available in all Member States for withdrawal, green harvesting or non-harvesting operations, with respect to one or more of the products referred to in Article 1(2) as determined by the Member State, provided that the additional quantity involved does not exceed 3 000 tonnes per Member State in each of those periods.

▼B

2. With respect to the quantities per Member State referred to in paragraph 1, Member States may determine for each product or group of products the quantities for market withdrawals for free distribution and for market withdrawals for destinations other than free distribution as well as the equivalent area for green harvesting and non-harvesting.

▼M2

3. Where the quantities actually withdrawn, in a Member State between 30 September 2014 and 30 June 2015 for a category of products as defined in Annex I and Annex Ia, were less than 5 % of the total quantities allocated to that Member State for that category of products, the Member State may decide not to make use of the quantity allocated in Annex Ib. In that event, the Member State concerned shall notify the Commission of its decision by 31 October 2015. As from the moment of notification, operations carried out in that Member State shall not be eligible for support under this Regulation.

▼M2

Member States may decide not to make use of the quantity of 3 000 tonnes referred to in the second subparagraph of paragraph 1, or part thereof, by the following dates:

By the same date, the Member State concerned shall notify the Commission of any quantities not used. As from the moment of notification, operations carried out in that Member State shall not be eligible for support under this Regulation.

▼B

Article 3

Allocation of the quantities to producers

Member States shall allocate the quantities referred to in Article 2 between producer organisations and producers who are not members of producer organisations following the first come, first served system.

However, Member States may decide to set up a different system for the allocation of quantities, provided the system established is based on objective and non-discriminatory criteria. For this purpose, Member States may take into account the extent of the effects of the Russian import ban on the producers concerned.

Article 4

Financial assistance for withdrawals to producer organisations

1. Union financial assistance shall be granted for market withdrawals for free distribution as referred to in Article 34(4) of Regulation (EU) No 1308/2013 and for destinations other than free distribution carried out in relation to the products referred to in Article 1(2) of this Regulation and during the period referred to in Article 1(3) of this Regulation.

2. The 5 % ceiling referred to in Article 34(4) of Regulation (EU) No 1308/2013 and in Article 79(2) of Implementing Regulation (EU) No 543/2011 shall not apply in respect of the products referred to in Article 1(2) of this Regulation when those products are withdrawn during the period referred to in Article 1(3) of this Regulation.

3. For products referred to in Article 1(2) of this Regulation, but not listed in Annex XI to Implementing Regulation (EU) No 543/2011, the maximum amounts of support shall be those set out in Annex II to this Regulation.

4. For tomatoes the maximum amount shall be the amount set out in Annex XI to Implementing Regulation (EU) No 543/2011 for the period 1 November to 31 May.

▼B

5. By way of derogation from Article 34(1) of Regulation (EU) No 1308/2013, the Union financial assistance for market withdrawals for destinations other than free distribution shall be 75 % of the maximum amounts of the support for other destinations referred to in Annex XI to Implementing Regulation (EU) No 543/2011 and in Annex II to this Regulation.

6. The Union financial assistance referred to in paragraph 1 shall be available to producer organisations even if they do not provide for such market withdrawal operations in their operational programmes and in the national strategies of Member States. Article 32(2) of Regulation (EU) No 1308/2013 and Article 55(4) of Implementing Regulation (EU) No 543/2011 shall not apply in relation to Union financial assistance under this Article.

7. The Union financial assistance referred to in paragraph 1 shall not be taken into account for the purpose of calculating the ceilings referred to in Article 34(2) of Regulation (EU) No 1308/2013.

8. The ceiling of one third of expenditure referred to in the fourth subparagraph of Article 33(3) of Regulation (EU) No 1308/2013 and the 25 % maximum ceiling for the increase of the operational fund referred to in Article 66(3)(c) of Implementing Regulation (EU) No 543/2011 shall not apply in respect of expenditure incurred for withdrawal operations of products referred to in Article 1(2) of this Regulation when those products are withdrawn during the period referred to in Article 1(3) of this Regulation.

9. Expenditure incurred in accordance with this Article shall form part of the operational fund of the producer organisations.

Article 5

Financial assistance for withdrawals to producers not being members of producer organisations

1. Union financial assistance shall be granted to producers of fruit and vegetables who are not members of a recognised producer organisation in accordance with this Article for:

(a) market withdrawals for free distribution as referred to in Article 34(4) of Regulation (EU) No 1308/2013;

(b) market withdrawals for destinations other than free distribution.

For market withdrawals referred to in point (a) of the first subparagraph, the maximum amounts of the financial assistance shall be the amounts set out in Annex XI to Implementing Regulation (EU) No 543/2011 and in Annex II to this Regulation.

For tomatoes the maximum amount shall be the amount set out in Annex XI to Implementing Regulation (EU) No 543/2011 for the period 1 November to 31 May.

▼B

For market withdrawals referred to in point (b) of the first subparagraph, the maximum amounts of the financial assistance shall be 50 % of the amounts set out in Annex XI to Implementing Regulation (EU) No 543/2011 and in Annex II to this Regulation.

For tomatoes that maximum amount shall be 50 % of the amount set out in Annex XI to Implementing Regulation (EU) No 543/2011 for the period 1 November to 31 May.

2. The financial assistance referred to in paragraph 1 shall be available for the withdrawal of the products referred to in Article 1(2) when those products are withdrawn during the period referred to in Article 1 (3).

3. Producers shall conclude a contract with a recognised producer organisation for the entire quantity to be delivered under this Article. Producer organisations shall accept all reasonable requests from producers who are not members of a recognised producer organisation. The quantities delivered by producers not being members shall be consistent with the regional yields and surface concerned.

4. The financial assistance shall be paid to producers not being members of a recognised producer organisation by the producer organisation with which they signed such a contract.

The amounts that correspond to the real costs incurred by the producer organisation for withdrawing the respective products shall be retained by the producer organisation. Evidence of those costs shall be provided by means of invoices.

5. For duly justified reasons, such as the limited degree of organisation of the producers in the Member State concerned, and in a non-discriminatory way, Member States may authorise that a producer not being a member of a recognised producer organisation makes a notification to the competent authority of the Member State, instead of signing the contract referred to in paragraph 3. For such notification, Article 78 of Implementing Regulation (EU) No 543/2011 shall apply *mutatis mutandis*. The quantities delivered by producers not being members shall be consistent with the regional yields and surface concerned.

In such cases, the competent authority of the Member State shall pay the Union financial assistance directly to the producer. Member States shall adopt new or apply existing national rules or procedures for this purpose.

6. Where the recognition of a producer organisation has been suspended in accordance with Article 114(2) of Implementing Regulation (EU) No 543/2011, its members shall be deemed to be producers not being members of a recognised producer organisation for the purpose of this Article.

7. Regulation (EU) No 1308/2013 and Implementing Regulation (EU) No 543/2011, as well as Article 4(6) to (9) of this Regulation shall apply *mutatis mutandis* in respect of this Article.

1. Union financial assistance shall be granted in respect of non-harvesting and green harvesting operations carried out in relation to the products referred to in Article 1(2) and during the period referred to in Article 1(3).

2. Support for green harvesting shall cover only the products which are physically on the fields and which are actually green harvested. By way of derogation from Article 85(4) of Implementing Regulation (EU) No 543/2011, Member States shall set the amounts of the support, comprising both the Union financial assistance and the producer organisation contribution for non-harvesting and green harvesting, per hectare at a level to cover not more than 90 % of the amounts fixed for market withdrawals for destinations other than free distribution in Annex XI to Implementing Regulation (EU) No 543/2011 and in Annex II to this Regulation. For tomatoes that amount shall be 90 % of the amount set out in Annex XI to Implementing Regulation (EU) No 543/2011 for the period 1 November to 31 May for market withdrawals for destinations other than free distribution.

By way of derogation from Article 34(4) of Regulation (EU) No 1308/2013, the Union financial assistance for non-harvesting and green harvesting shall be 75 % of the amounts fixed by the Member States in accordance with the first subparagraph.

3. By way of derogation from the first subparagraph of Article 85(3) of Implementing Regulation (EU) No 543/2011, non-harvesting measures referred to in Article 84(1)(b) of that Regulation may, in respect of products referred to in Article 1(2) of this Regulation and during the period referred to in Article 1(3) of this Regulation, be undertaken even where commercial production has been taken from the producing area concerned during the normal production cycle. In such cases, the amounts of support referred to in paragraph 2 of this Article shall be proportionally reduced, taking into account the production already harvested, as established on the basis of stock records and financial accounts of the producer organisations concerned.

4. The Union financial assistance shall be granted even if producer organisations do not provide for those operations in the framework of their operational programme and in the national strategies of Member States. Article 32(2) of Regulation (EU) No 1308/2013 and Article 55(4) of Implementing Regulation (EU) No 543/2011 shall not apply in relation to Union financial assistance under this Article.

5. The ceiling of one third of expenditure referred to in the fourth subparagraph of Article 33(3) of Regulation (EU) No 1308/2013 and the 25 % maximum ceiling for the increase of operational fund referred to in Article 66(3)(c) of Implementing Regulation (EU) No 543/2011 shall not apply in respect of expenditure incurred for measures referred to in paragraph 1 of this Article and related to products referred to in Article 1(2) of this Regulation and during the period referred to in Article 1(3) of this Regulation.

▼B

6. The Union financial assistance shall not be taken into account for the purpose of calculating the ceilings referred to in Article 34(2) of Regulation (EU) No 1308/2013.

7. Expenditure incurred in accordance with this Article shall form part of the operational fund of the producer organisations.

Article 7

Financial assistance for non-harvesting and green harvesting to producers not being members of producer organisations

1. Union financial assistance shall be granted to producers who are not members of a recognised producer organisation to carry out non-harvesting and green harvesting operations in respect of the products referred to in Article 1(2) and during the period referred to in Article 1(3).

By way of derogation from Article 85(3) of Implementing Regulation (EU) No 543/2011, the following shall apply:

(a) support for green harvesting shall cover only the products which are physically on the fields, which are actually green harvested and for which normal harvest has not begun;

(b) non-harvesting measures shall not be undertaken where commercial production has been taken from the area concerned during the normal production cycle;

(c) green harvesting and non-harvesting shall in no circumstances both be applied to the same product and the same given area.

2. The amounts of Union financial assistance for non-harvesting and green harvesting operations shall be 50 % of the amounts set by Member States in accordance with Article 6(2).

3. Producers not being members of a recognised producer organisation shall make the appropriate notification to the competent authority of the Member State in accordance with the detailed provisions adopted by the Member State pursuant to Article 85(1)(a) of Implementing Regulation (EU) No 543/2011.

In such cases, the competent authority of the Member State shall pay the Union financial assistance directly to the producer. Member States shall adopt new or apply existing national rules or procedures for this purpose.

4. Where the recognition of a producer organisation has been suspended in accordance with Article 114(2) of Implementing Regulation (EU) No 543/2011, its members shall be deemed to be producers not being members of a recognised producer organisation for the purpose of this Article.

▼B

5. Regulation (EU) No 1308/2013 and Implementing Regulation (EU) No 543/2011 shall apply *mutatis mutandis* in respect of this Article.

Article 8

Checks on withdrawal, non-harvesting and green harvesting operations

1. The withdrawal operations referred to in Articles 4 and 5 shall be subject to first-level checks in accordance with Article 108 of Implementing Regulation (EU) No 543/2011. However, those checks shall cover at least 10 % of the quantity of products withdrawn from the market and at least 10 % of producer organisations benefiting from the Union financial assistance referred to in Article 4 of this Regulation.

However, for withdrawal operations referred to in Article 5(5), the first-level checks shall cover 100 % of the quantity of products withdrawn.

2. Non-harvesting and green harvesting operations as referred to in Articles 6 and 7 shall be subject to the checks and conditions provided for in Article 110 of Implementing Regulation (EU) No 543/2011, except as regards the requirement that no partial harvest has taken place where the derogation provided for in Article 6(3) of this Regulation is applied. Checks shall cover at least 25 % of the producing areas concerned.

For non-harvesting and green harvesting operations referred to in Article 7, the checks shall cover 100 % of the producing areas concerned.

3. The withdrawal operations referred to in Articles 4 and 5 shall be subject to second-level checks in accordance with Article 109 of Implementing Regulation (EU) No 543/2011. However, the on-the-spot checks shall cover at least 40 % of the entities subject to the first-level checks and at least 5 % of the quantity of products withdrawn from the market.

4. Member States shall take the appropriate control measures to ensure that withdrawals, non-harvesting and green harvesting operations for tomatoes only cover varieties intended for fresh consumption.
