Objectives and purpose of the Evaluation Plan	*<10 type="S" maxlength="3500" input="M">* *The SWOT analysis and the ex ante evaluation should provide an assessment of the evaluation needs for the period. Objectives and purpose should address those needs ensuring that sufficient and appropriate evaluation activities are undertaken, in particular to provide information needed for programme steering, for the AIRs in 2017 and 2019 and the ex post evaluation, and to ensure that data needed for EMFF evaluations is available.*
Governance and coordination	*<10 type="S" maxlength="10500" input="M">* *Brief description of the monitoring and evaluation arrangements, providing information on the coordination with the EMFF OP implementation. Identification of the main bodies involved and their responsibilities. Information on the management of evaluation, including organisational structures such as an evaluation unit and/or a Steering Group, quality control, simplification, etc.*
Evaluation topics and activities	*<10 type="S" maxlength="7000" input="M">* *Provide information on evaluation topics and activities anticipated, including, but not limited to, fulfilment of EU requirements. It should cover activities needed to evaluate contribution of each priority to objectives, assessment of results indicators value and impacts, analysis of net effect, thematic issues, cross-cutting issues such as sustainable development, climate change, and any other specific evaluation needs.*
Data and information strategy	*<10 type="S" maxlength="7000" input="M">* *Brief description of the system to record, maintain, manage and report statistical information on OP implementation and provision of monitoring data for evaluation. Identification of data sources to be used, data gaps, potential institutional issues related to data provision, and proposed solutions. This section should demonstrate that appropriate data management systems will be operational in due time.*
Timeline	*<10 type="S" maxlength="3500" input="M">* *Outline indicative planning of activities in order to ensure availability of evaluation results at the required time, in particular with regards to the compulsory evaluations foreseen in the CPR, the input needed for enhanced AIRs in 2017 and 2019, and the ex post evaluation report.*
Specific requirements for evaluation of CLLD	*<10 type="S" maxlength="7000" input="M">* *Description of support foreseen for evaluation at the level of FLAGs in particular on the use of self-evaluation methods, guidance for FLAGs to enable aggregate achievements to be demonstrated at the EMFF OP level.*
Communication	*<10 type="S" maxlength="7000" input="M">* *Description of information on dissemination of evaluation results to stakeholders and policymakers, mechanisms to follow-up on use of evaluation results.*
Resources	*<10 type="S" maxlength="7000" input="M">* *Description of the resources needed and foreseen to implement the plan, including an indication of administrative capacity, data, financial resources, IT needs. Description of capacity building activities foreseen to ensure that the evaluation plan can be fully implemented.*
