CORRIGENDA

Corrigendum to Commission Implementing Regulation (EU) 2019/1726 of 15 October 2019 operating deductions from fishing quotas available for certain stocks in 2019 on account of overfishing in the previous years

(Official Journal of the European Union L 263 of 16 October 2019)

On page 5, the Annex is replaced as follows:

'ANNEX

DEDUCTIONS FROM FISHING QUOTAS FOR THE YEAR 2019 FOR STOCKS WHICH HAVE BEEN OVERFISHED

Member State	Species code	Area code	Species name	Area name	Initial quota 2018 (in kilograms)	Permitted landings 2018 (Total adapted quantity in kilograms) (1)	Total catches 2018 (quantity in kilograms)	Quota consumption related to permitted landings	Overfishing related to permitted landing (quantity in kilograms)	Multi-plying factor (2)	Additional Multiplying factor (3), (4)	Outstanding deductions from previous year(s) (5) (quantity in kilograms)	Deductions to apply in 2019 (quantity in kilograms)

(1) Quotas available to a Member State pursuant to the relevant fishing opportunities Regulations after taking into account exchanges of fishing opportunities in accordance with Article 16(8) of Regulation (EU) No 1380/2013 of the European Parliament and of the Council (OJ L 354, 28.12.2013, p. 22), quota transfers from 2017 to 2018 in accordance with Article 4(2) of Council Regulation (EC) No 847/96 (OJ L 115, 9.5.1996, p. 3) and with Article 15(9) of Regulation (EU) No 1380/2013 or reallocation and deduction of fishing opportunities in accordance with Articles 37 and 105 of Regulation (EC) No 1224/2009.

(2) As set out in Article 105(2) of Regulation (EC) No 1224/2009. Deduction equal to the overfishing * 1,00 shall apply in all cases of overfishing equal to, or less than, 100 tonnes.

(3) As set out in Article 105(3) of Regulation (EC) No 1224/2009 and provided that the extent of overfishing exceeds 10 %.

(4) Letter ‘A’ indicates that an additional multiplying factor of 1,5 has been applied due to consecutive overfishing in the years 2016, 2017 and 2018. Letter ‘C’ indicates that an additional multiplying factor of 1,5 has been applied as the stock is subject to a multiannual plan.

(5) Remaining quantities from previous year(s).

(6) To be deducted from RJU/7DE. (Union waters of 7d and 7e).

(7) Quantities below 1 tonne are not considered.

(8) Additional multiplying factor not applicable because the overfishing does not exceed 10 % of the permitted landings.

(9) The deduction cannot be reduced by this unused quantity as Article 4 of Regulation (EC) No 847/96 is not applicable to the YFT/IOTC stock.

Corrigendum to Decision 2019/1734 of the EU-Korea Committee on Trade and Sustainable Development of 30 September 2019 on a revised list of experts willing and able to serve as panellists in accordance with Article 13.15 of the Agreement [2019/…]
