3. The application of the individual anti-dumping duty rates specified for the companies mentioned in paragraph 2 shall be conditional upon presentation to the customs authorities of the Member States of a valid commercial invoice, on which shall appear a declaration dated and signed by an official of the entity issuing such invoice, identified by his/ her name and function, drafted as follows: 'I, the undersigned, certify that the (volume) of electric bicycles sold for export to the European Union covered by this invoice was manufactured by (company name and address) (TARIC additional code) in the People's Republic of China. I declare that the information provided in this invoice is complete and correct.' If no such invoice is presented, the duty rate applicable to 'all other companies' shall apply.

4. Unless otherwise specified, the provisions in force concerning customs duties shall apply. The default interest to be paid in case of reimbursement that gives rise to a right to payment of default interest shall be the rate applied by the European Central Bank to its principal refinancing operations, as published in the C series of the *Official Journal of the European Union*, in force on the first calendar day of the month in which the deadline falls, increased by one percentage point.

5. In cases where the countervailing duty has been subtracted from the anti-dumping duty for certain exporting producers, refund requests under Article 21 of Regulation (EU) 2016/1037 shall also trigger the assessment of the dumping margin for that exporting producer prevailing during the refund investigation period.

6. Where any new exporting producer in the People's Republic of China provides sufficient evidence to the Commission, paragraph 2 may be amended by adding the new exporting producer to the appropriate annex with the cooperating companies not included in the sample and thus subject to the appropriate weighted average anti-dumping duty rate. A new exporting producer shall provide evidence that:

— it did not export to the Union the product described in paragraph 1 during the investigation period between 1 October 2016 to 30 September 2017,

— it is not related to any of the exporters or producers in the People's Republic of China which are subject to the measures imposed by this Regulation, and
