EXPLANATORY NOTE

(This Note is not part of the Order.)

This Order varies an Order, made under sections 7 and 44 of the Highways Act 1959, which established the line of a trunk road to by-pass Bromsgrove in the County of Hereford and Worcester, by deleting therefrom

(i) all reference to the routes of new trunk roads, and

(ii) reference to existing highways to become trunk road with the exception of Hanover Street and St Johns Street; these two streets forming part of the Trunk Road gyratory system.

It is anticipated that the routes being deleted may be constructed as a Principal Road.
