EXPLANATORY NOTE

(This Note is not part of the Order, but is intended to indicate its general purport.)

This Order amends the Export of Goods (Control) (Consolidation) Order, 1953.

The principal amendments are as follows:—

(1) Licences are now required for specified machines for manufacturing coaxial electric cables for all destinations other than those specified in Part II of the Third Schedule excluding Hong Kong.

(2) Acetic anhydride and bismuth compounds may now be exported without licence to any of the destinations specified in Part II of the Third Schedule other than Hong Kong.

(3) Licences are not now required, except for exports to China, Hong Kong, Macao or Tibet, for quartzite, certain drugs and chemicals, some antiques, precious or semi-precious stones and postage stamps.

(4) The regulations governing gift parcels have been amended to relax the restriction on postage stamps and to prohibit further specified scientific instruments and apparatus being sent as gifts.

1953 No. 1145

The Export of Goods (Control) (Amendment No. 3) Order, 1953

Made - - - -	*25th July*, 1953
Coming into Operation	*5th August*, 1953

The Board of Trade, in exercise of the powers conferred upon them by Section 1 of the Import, Export and Customs Powers (Defence) Act, 1939(a), and of all other powers enabling them in that behalf, do hereby order as follows:—

1. The Export of Goods (Control) (Consolidation) Order, 1953(b), as amended(c), shall have effect as if:—

(1) For sub-paragraph (i) of paragraph (*d*) of Article 4, there were substituted the following:—

"(i) any aircraft registered outside the United Kingdom which is being re-exported after temporary importation into the United Kingdom, provided that there has been no change of ownership or registration since such importation;";

(2) The First Schedule were amended in the manner specified in the First Schedule to this Order; and

(3) The Third Schedule were amended in the manner specified in the Second Schedule to this Order.

2.—(1) The Interpretation Act, 1889(d), applies to the interpretation of this Order as it applies to the interpretation of an Act of Parliament.

(a) 2 & 3 Geo. 6. c. 69. (b) S.I. 1953/671, p. 422 above.
(c) S.I. 1953/852, 978, pp. 467, 473 above.
(d) 52 & 53 Vict. c. 63.

(2) This Order may be cited as the Export of Goods (Control) (Amendment No. 3) Order, 1953, and shall come into operation on the 5th day of August, 1953.

Dated this 25th day of July, 1953.

Reginald J. W. Stacy,
An Under-Secretary of the
Board of Trade.

FIRST SCHEDULE

In the First Schedule, in Group 6 (1), after the item relating to cerium and other rare earth metals insert the items:—

"Copper and copper alloys in the following forms:—

(*a*) Unwrought copper, whether Refined or Blister, containing by weight not less than 99 per cent. of copper, in the form of anodes, bars, billets, cakes, cathodes, ingots, ingot bars, shot, slabs and wirebars.

(*b*) Unwrought copper, Rough, containing by weight less than 99 per cent. but not less than 94 per cent. of copper, in the form of anodes, bars, billets, cakes, ingots, ingot bars, lumps, shot, slabs and wirebars.

(*c*) Unwrought copper and unwrought alloys of copper, being alloys containing by weight not less than 50 per cent. of copper, not elsewhere specified in this Schedule, in the form of anodes, bars, billets, cakes, ingots, ingot bars, lumps, pellets, shot, slabs, sticks and wirebars.

(*d*) Wrought copper and wrought alloys of copper, being alloys containing by weight not less than 50 per cent. of copper, in the form of angles, bars, circles, discs, flakes, foil and leaf, granules, pipes and tubes, plates, powder, ribbon, rings, rods (including welding rods and welding electrodes), sections (other than machinery parts), shapes, shavings, sheets and strip, shot, sticks, wire (bare, whether stranded or not, including cables, rope and spirals).":

under the heading relating to metals and alloys delete the following item:—

"Copper.":

delete the item "Alloys containing 50 per cent. or more by weight of columbium (niobium), copper lead, or zirconium." and substitute therefor:—

"Alloys containing 50 per cent. or more by weight of columbium (niobium) or zirconium.":

delete the item "Alloys containing 50 per cent. or more by weight of copper and zinc.":

under the heading relating to ores and concentrates, after the item "Beryllium." insert the item:—

"Cerium and other rare earth metals (raw and treated, including residues and tailings).".

In Group 6 (2), delete the item "Goods (subjected to any process of manufacture) wholly or mainly of aluminium or aluminium alloys, not elsewhere specified in this Schedule.".

In Group 6 (4), delete the item relating to contractors' plant.

after the item relating to electrodes, insert the item:—

"Excavating and earth moving machinery and equipment of the following descriptions:—

Angledozer and bulldozer attachments.
Bottom dumpers.
Graders and elevating graders, self propelled.

Excavators, the following:—

(*a*) Excavators, walking dragline types.

(*b*) Excavators, universal, mounted on crawler tracks, whether or not fitted with shovel, dragline, trencher, skimmer, crane or grab attachments.

Scrapers.":

after the item " Floating docks." insert the item:—

" Freeze-drying equipment or plant, the following:—

Apparatus or plant suitable for (i) drying material under reduced pressures (4·5 millimetres mercury pressure absolute or less) and (ii) for drying material from the frozen state, either as a result of separate refrigeration or rapid initial dehydration, whether or not the plant or equipment is provided with ancillary apparatus for the removal of evolved water vapour by either direct pumping, condensation by refrigeration, physical or chemical absorption or physical and chemical absorption.".

In Group 9, delete the heading relating to animal hair and the items thereunder and substitute therefor:—

" Animal hair as detailed hereunder:—

(*a*) Hog hair, and mane and tail hair of cow, ox and horse, of the following descriptions:—

Raw and undressed hair, whether cleaned, scoured or carbonised or not.

Drawn hair.

(*b*) Cashmere goat hair of the following descriptions:—

Raw and undressed hair, whether cleaned, scoured or carbonised or not.

Noils, tops and waste.".

In Group 13 (1), delete the following items:—

" Iridium compounds.
Osmium compounds.
Palladium compounds.
Platinum compounds.
Rhodium compounds.
Ruthenium compounds.".

SECOND SCHEDULE

In the Third Schedule, Part I, in Group 6 (1), insert the item:—

" Aluminium and alloys containing 50 per cent. or more by weight of aluminium in the form of angles, castings, circles, extrusions, foil and leaf in all forms (whether or not backed with other material), forgings, pipes and tubes, plates, powder, pressings and stampings, rods (including welding rods and welding electrodes), sheets, strip and wire including steel cored wire.":

after the item " Carbonyl iron powder." insert the item:—

" Copper and copper alloys in the following forms:—

(*a*) Unwrought copper, whether Refined or Blister, containing by weight not less than 99 per cent. of copper, in the form of anodes, bars, billets, cakes, cathodes, ingots, ingot bars, shot, slabs and wirebars.

(*b*) Wrought copper and wrought alloys of copper, being alloys containing by weight not less than 50 per cent. of copper, in the form of angles, bars, circles, discs, flakes, foil and leaf, granules, pipes and tubes, plates, powder, ribbon, rings, rods (including welding rods and welding electrodes), sections (other than machinery parts), shapes, shavings, sheets and strip (other than cartridge sheet and strip of rolled brass), shot, sticks, wire (bare, whether stranded or not, including cables, rope and spirals).".

In Group 6 (4), after the item relating to electrodes, insert the item:—

"Excavating and earth moving machinery and equipment of the following descriptions:—

Angledozer and bulldozer attachments.

Graders and elevating graders, self propelled.":

after the item "Floating docks." insert the item:—

"Freeze-drying equipment or plant, the following:—

Apparatus or plant suitable for (i) drying material under reduced pressures (4·5 millimetres mercury pressure absolute or less) and (ii) for drying material from the frozen state, either as a result of separate refrigeration or rapid initial dehydration, whether or not the plant or equipment is provided with ancillary apparatus for the removal of evolved water vapour by either direct pumping, condensation by refrigeration, physical or chemical absorption or physical and chemical absorption.".

EXPLANATORY NOTE

(This Note is not part of the Order, but is intended to indicate its general purport.)

This Order amends the Export of Goods (Control) (Consolidation) Order, 1953.

The principal amendments are as follows:—

(1) Licences are now required for freeze-drying equipment for all destinations other than those specified in Part II of the Third Schedule excluding Hong Kong.

(2) Semi-manufactures of aluminium and copper, certain classes of refined and blister copper and certain items of excavating and earth moving machinery may now be exported without licence to any of the destinations specified in Part II of the Third Schedule other than Hong Kong.

(3) Licences are not now required except for exports to China, Hong Kong, Macao or Tibet for fully manufactured aluminium goods, cattle body hair and certain metallic compounds.

1953 No. 1487

The Export of Goods (Control) (Amendment No. 4) Order, 1953

Made - - - -	*5th October*, 1953
Coming into Operation	*14th October*, 1953

The Board of Trade, in exercise of the powers conferred upon them by Section 1 of the Import, Export and Customs Powers (Defence) Act, 1939(a), and of all other powers enabling them in that behalf, do hereby order as follows:—

1. The Export of Goods (Control) (Consolidation) Order, 1953(b), as amended(c), shall have effect as if:—

(1) Sub-paragraph (*c*) of paragraph (4) of Article 5 were deleted;

(a) 2 & 3 Geo. 6. c. 69. (b) S.I. 1953/671, p. 422 above.
(c) S.I. 1953/852, 978, 1145, pp. 467, 473, 475 above.
