2.—Sections 30 (Steam Boilers) and 32 (Air Receivers) of the Act shall, in their application to bulding operations or works of engineering construction by virtue of Section 111 or Section 112 of the Act, have effect subject to the following modifications :—

(*a*) Sub-section (9) of Section 30 shall have effect as if for the words " taken into use in any factory for the first time in that factory until such boiler has been examined " there were substituted the words " used in any building operation or work of engineerng construction to which this Act applies unless such boiler has, within the preceding period of fourteen months, been examined."

(*b*) Sub-section (4) of Section 32 shall have effect as if it required that no air receiver shall be used in any building operation or work of engineering construction unless it has been examined and reported on in accordance with the provisions of that sub-section within the preceding period of twenty-six months, or such preceding period not exceeding four years as may have been specified under provisio (*a*) of that sub-section.

3.—These regulations may be cited as the Factories (Modification for Docks, Building and Engineering Construction, etc.) Regulations (Northern Ireland), 1939, and shall come into force on the 1st July, 1939.

Sealed with the Official Seal of the Ministry of Labour for Northern Ireland this 10th day of May, 1939, in the presence of

(L.S.) *R. R. Bowman,*
Assistant Secretary.

Stormont, Belfast.

Forms and Particulars.

ORDER, DATED 30TH JUNE, 1939, MADE BY THE MINISTRY OF LABOUR UNDER THE FACTORIES ACT (NORTHERN IRELAND), 1938.

1939. No. 95.

The Ministry of Labour for Northern Ireland, in pursuance of the powers conferred upon it by the Factories Act (Northern Ireland), 1938, and of all other powers enabling it in that behalf, hereby makes the following Order :—

1.—This Order may be cited as the Factories (Forms and Particulars) Order (Northern Ireland), 1939.

2.—In this Order the expression " the Act " means the Factories Act (Northern Ireland), 1938,

Abstracts.

3.—The abstract of the Act which is required by Section 120 (1) of the Act to be kept posted at the principal entrances of a factory at which employed persons enter shall be in the form N.I.1, set out in the Schedule to this Order.

Form N.I. 1

4.—The abstract of the Act which is required by Sections 109 (1) (*g*) and 120 (1) of the Act to be kept posted at the principal entrances of a dock, wharf, quay or warehouse at which employed persons enter shall be in the form N.I.2, set out in the Schedule to this Order.

Form N.I. 2

5.—The abstract of the Act which is required by Sections 111 (1) (*f*), 112 (1) (*f*) and 120 (1) of the Act to be kept posted at the principal entrances of building operations and of works of engineering construction at which employed persons enter shall be in the form N.I.3, set out in the Schedule to this Order.

Form N.I. 3

Hours and Holidays.

6.—The notice—

(*a*) which is required by Section 78 (1) of the Act to be posted in a factory specifying the period of employment for, and the intervals for meals or rest allowed to, women and young persons; and

(*b*) of intention to avail himself of a special exception under Part VI of the Act which the occupier of a factory is required by Section 101 (1) of the Act to serve on the Chief Inspector, and to post in the factory

shall, subject to the provisions of paragraphs 7 and 8 of this Order, be in the form N.I.11, set out in the Schedule to this Order.

Form N.I. 11

7.—The notice of intention to avail himself—

(*a*) of the special exception in Section 87 of the Act as to the employment in shifts of male young persons who have attained the age of sixteen; and

(*b*) of other special exceptions under Part VI of the Act

which the occupier of a factory is required by Section 101 (1) of the Act to serve on the Chief Inspector and to post in the factory shall be in the form N.I.12, set out in the Schedule to this Order.

Form N.I. 12

8.—The notice of intention to avail himself of the special exception in Section 98 of the Act as to the employment of women and young persons who have attained the age of 16 in processes connected with—

(*a*) the preserving, canning or curing of fish or the preparing of fish for sale; or

(*b*) the preserving or canning of fruit or vegetables during the months of June, July, August and September

which the occupier of a factory is required under Section 101 (1) to serve on the Chief Inspector and post in the factory shall be in the form N.I.13, set out in the Schedule to this Order. Form N.I. 13

9.—The notification which is required by Section 102 (2) (*c*) of the Act to be given of the weekday on which young persons to whom that Section applies shall not be employed after one o'clock in the afternoon shall be in the form N.I.15, set out in the Schedule to this Form N.I. 15
Order, and shall be kept posted in a place where the young persons attend and in a position where it can be easily read by such persons.

10.—The notice which an employer of young persons to whom Section 102 of the Act applies may give to the Chief Inspector under sub-section (4) of that Section that he wishes to substitute for the provisions of that Section the provisions of Part VI of the Act regulating the hours of employment of young persons in factories shall be in the form N.I.16, set out in the Schedule to this Order; Form N.I. 16
and the notice of withdrawal of any such notice as aforesaid shall be in the form N.I.17, set out in the Schedule to ths Order. Form N.I. 17

Overtime.

11.—The notice which, under Section 80 (2) of the Act, the occupier of a factory in which women or young persons are employed overtime is required to keep posted in the factory shall contain the particulars included in the form N.I.21, set out in the Schedule Form N.I. 21
to this Order, and the notice shall be kept posted in the factory while the overtime is being worked and thereafter until the 31st day of January in the following calendar year.

12.—The register in which the occupier of a factory before employing any woman or young person overtime on any day is required by Section 80 (1) of the Act to enter particulars of the overtime and of any interval for a meal or rest shall be in the form N.I.22, set out in the Schedule to this Order; and the particulars Form N.I. 22
required by the said Section to be entered in the register and to be sent to the Chief Inspector shall be those contained in the said form.

Registers.

13.—The register which is required by Section 122 (1) of the Act to be kept in every factory shall be in the form N.I.31, set out Form N.I. 31
in the Schedule to this Order and the particulars required by the said Section to be entered in or attached to the register shall be those contained in the said form.

14.—The register which is required by Sections 109 (1) (*g*) and 122 (1) of the Act to be kept by the occupier of a dock, wharf, quay or warehouse shall be in the form N.I.35, set out in the Schedule Form N.I. 35

to this Order and the particulars required by the said Sections to be entered in or attached to the register shall be those contained in the said form.

15.—The register which is required by Sections 111 (1) (*f*), 112 (1) (*f*) and 122 (1) of the Act to be kept by a person undertaking building operations or works of engineering construction shall be
Form N.I. 36 in the form N.I.36, set out in the Schedule to this Order and the particulars required by the said Sections to be entered in or attached to the register shall be those contained in the said form.

16.—The record which an employer of young persons to whom Section 102 of the Act applies is required by sub-section (2) (*f*) of
Form N.I. 38 the said Section to keep shall be in the form N.I.38, set out in the Schedule to this Order, contain the particulars and be kept in the manner set out in the said form.

Other Notices.

17.—The notice of any case of poisoning or disease occurring in a factory or in other premises to which the provisions of the Act as to notification of industrial diseases apply which is required by Section 70 (3) of the Act to be sent to the Chief Inspector and to
Form N.I. 41 the examining surgeon shall be in the form N.I.41, set out in the Schedule to this Order and contain the particulars set out in the said form.

18.—The notice of an accident or dangerous occurrence occurring in a factory or in other premises to which the provisions of the Act as to notification of accidents or dangerous occurrences apply which is required by Sections 68 (1) and 69 of the Act to be sent to the
Form N.I. 43 Chief Inspector shall be in the form N.I.43, set out in the Schedule to this Order and contain the particulars set out in the said form.

19.—The list of persons employed, either as workmen or contractors, in the business of a factory, outside the factory, in classes of work to which Section 114 of the Act applies which the occupier of a factory and every contractor employed by him in the business of the factory is required by the said Section to keep shall be in
Form N.I. 44 the form N.I. 44, set out in the Schedule to this Order and contain the particulars and be kept in the manner set out in the said form.

20.—The notice which may be given to the Chief Inspector that it is intended in a room in—

(*a*) a humid factory to which Section 53 of the Act applies; or

(*b*) a factory subject to the special regulations for spinning and weaving flax and tow; or

(*c*) a factory subject to the special regulations for spinning and weaving hemp, or jute, or hemp or jute tow

that the humidity of the atmosphere should never be greater than will maintain a difference of at least four degrees between the readings of the dry and wet bulb thermometers, and the copy thereof to be kept posted in the room shall be in the form N.I.49, set out in the Schedule to this Order. Form N.I. 49

Forms for Reports.

21.—The report of the result of a thorough examination by a competent person of a hoist or lift which is required by Section 23 (2) of the Act to be entered in or attached to the general register shall be in the form N.I.54, set out in the Schedule to this Order and contain the particulars set out in the said form. Form N.I. 54

22.—The report of the result of a thorough examination by a competent person of a steam boiler (other than an economiser or superheater) when it is cold which is required by Section 30 (8) of the Act to be entered in or attached to the general register shall be in the form N.I.55, set out in the Schedule to this Order and contain the particulars set out in the said form; and, for the purposes of Section 30 (7) of the Act, the preparation of the interior and exterior of the boiler for the examination shall be in the manner set out in the said form. Form N.I. 55

23.—The report of the result of a thorough examination by a competent person of a steam boiler when it is under normal steam pressure which is required by Section 30 (8) of the Act to be entered in or attached to the general register shall be in the form N.I.55A, set out in the Schedule to this Order and contain the particulars set out in the said form. Form N.I. 55A

24.—The report of the result of a thorough examination by a competent person of an economiser when it is cold which is required by Section 30 (8) of the Act to be entered in or attached to the general register shall be in the form N.I.56, set out in the Schedule to this Order and contain the particulars set out in the said form; and, for the purposes of Section 30 (7) of the Act, the preparation of the interior and exterior of the economiser for the examination shall be in the manner set out in the said form. Form N.I. 56

25.—The report of the result of a thorough examination by a competent person of a superheater when it is cold which is required by Section 30 (8) of the Act to be entered in or attached to the general register shall be in the form N.I.57, set out in the Schedule to this Order and contain the particulars set out in the said form; and, for the purposes of Section 30 (7) of the Act, the preparation of the interior and exterior of the superheater for the examination shall be in the manner set out in the said form. Form N.I. 57

26.—The report of the result of a thorough examination by a competent person of a steam receiver which is required by Section 31 (5) to be entered in or attached to the general register shall contain the particulars set out in the forms N.I.58 and N.I.60 in the Schedule to this Order.

Form N.I. 58 and N.I. 60

27.—The report of the result of a thorough examination or hydraulic test by a competent person of an air receiver which is required by Section 32 (4) to be entered in or attached to the general register shall contain the particulars set out in the forms N.I.59 and N.I.60 in the Schedule to this Order.

Form N.I. 59 and N.I. 60

Sealed with the Official Seal of the Ministry of Labour for Northern Ireland this 30th day of June, 1939, in the presence of
