Glass Protection.

ORDER, DATED 10TH JANUARY, 1941, MADE BY THE MINISTRY OF LABOUR FOR NORTHERN IRELAND UNDER REGULATION 60 OF THE DEFENCE (GENERAL) REGULATIONS, 1939.

1941. No. 5.

The Ministry of Labour for Northern Ireland (hereinafter referred to as "the Ministry"), by virtue of the powers conferred on it by Regulation 60 of the Defence (General) Regulations, 1939, and of all other powers enabling it in that behalf, hereby makes the following Order :—

1.—This Order may be cited as the Factories (Glass Protection) (Northern Ireland) Order, 1941, and shall come into force on the 20th January, 1941.

Short title and commencement.

Application of Order, 2 Geo. 6, Ch. 23.

2.—Save as hereinafter provided this Order shall apply to all factories within the meaning of section 157 of the Factories Act (Northern Ireland), 1938, in which more than 250 persons are employed.

Exemption Certificates.

3.—(1) The occupier of any factory to which this Order applies may make application in writing to the Ministry for a certificate exempting the factory from the provisions of the Order on the grounds that the persons employed in the factory are not employed in the performance of services essential for the defence of the realm or the efficient prosecution of the war or essential to the life of the community.

(2) If the Ministry is satisfied on any such application that the grounds of the application are well founded it shall give a certificate exempting the factory from the provisions of this Order and accordingly whilst the certificate is in force this Order shall not apply to the factory.

(3) Any such certificate may be revoked by the Ministry at any time if it is of opinion that the grounds on which the exemption was granted no longer exist but without prejudice to the granting of a further certificate.

Duty of occupiers of factories and powers of Courts of Summary Jurisdiction.

4.—(1) It shall be the duty of the occupier of every factory to which this Order applies to provide and maintain such safeguards (whether by way of fencing, the use of alternative materials, or otherwise), being safeguards that are reasonably practicable having regard to the availability of any necessary materials and other circumstances as will afford protection for the persons employed in the factory against risk from injury caused by broken glass from windows, skylights and internal partitions, and, without prejudice to the generality of the foregoing provisions, the occupier of such a factory shall have regard to any circulars which may from time to time be issued by the Ministry for the guidance of occupiers of factories to which this Order applies.

(2) A contravention of or failure to comply with any of the requirements imposed by or under the foreging provisions of this Order shall not constitute an offence against Regulation 60 of the Defence (General) Regulations, 1939, but if an inspector of factories satisfies a court of summary jurisdiction that the occupier of any factory to which this Order applies has contravened or failed to comply with any such requirement the court may make an order directing the occupier to take such steps for the provision and maintenance of safeguards for the protection of persons employed in the factory against risk from injury caused by broken glass from windows, skylights and internal partitions as may be specified in the order ; and the court may specify a time within which the safeguards are to be provided, and may on application enlarge the time.

(3) If the occupier of any factory to which this Order applies contravenes or fails to comply with an order made by a court of

summary jurisdiction under this Article he shall be guilty of an offence against Regulation 60 of the Defence (General) Regulations, 1939.

Sealed with the Official Seal of the Ministry of Labour for Northern Ireland this 10th day of January, 1941, in the presence of

(L.S.) *F. C. S. Moore,*
Assistant Secretary.
