(**a**) 2020 c. 21
(**b**) EUR 1305/2013
(**c**) 1954 c. 33

(2) The appropriate authority, in order to ensure that agri-environment-climate commitments are defined in accordance with the priorities for rural development, may make regulations concerning the following:

(a) the conditions applicable to commitments to extensify livestock farming;

(b) the conditions applicable to commitments to rear local breeds that are in danger of being lost to farming or to preserve plant genetic resources that are under threat of genetic erosion;

(c) the definition of eligible operations under paragraph 9; and

(d) the conditions applicable to commitments to make a positive contribution to the sustainability of the environment.".

5. In Article 35—

(a) for paragraph 8 substitute—

"**8.** Support shall be for a minimum period of one year determined by the appropriate authority."

(b) for paragraph 10 substitute—

"**10.** The appropriate authority may make regulations to—

(a) promote forms of co-operation in accordance with paragraph 1;

(b) ensure the efficient use of support for rural development concerning the further specification of the characteristics of pilot projects, clusters, networks, short supply chains and local markets that will be eligible for support;

(c) make conditions for granting aid to the types of operation listed in paragraph 2.".

Sealed with the Official Seal of the Department of Agriculture, Environment and Rural Affairs on 20th May 2025.
