ACCOUNTANTS REPORT TO THE SECRETARY OF STATE

I/We have examined the books of the makers of the film herein referred to in so far as they relate to the making of the said film, and have received all the information and documents necessary to enable me/us to ascertain the amount of the labour costs (as defined in section 21 of the Films Act 1960) of the said film (including a proper and reasonable proportion of any annual salaries or fees to be attributed directly to the making of the said film) and the allocation thereof in accordance with the requirements of subsection (2)(*c*) of section 17 and section 22 of that Act, regarding a film to be registered as a British film. On the basis of such examination, I/we report that in my/our opinion the amounts entered in the foregoing tables of this paragraph are correct, and in particular that the amounts returned do not conflict with the directions set out in Note 3 at the head of paragraph 12.
