## EXPLANATORY NOTE

*(This Note is not part of the Regulations, but is intended to indicate their general purport.)*

These Regulations amend the Fire Services (Conditions of Service) Regulations, 1954. Regulation 1 amends the provision relating to compulsory retirement so as to bring it into conformity with amendments already made in the Firemen's Pension Scheme. Regulations 2, 3 and 4 prescribe revised scales of pay for members of fire brigades below the rank of assistant chief officer. Regulation 5 abolishes the existing allowance which was introduced on the consolidation of rates of pay in 1950, but provides for a new transitional allowance to ensure that, subject to the taking into account of any increase in pay under the revised scales, the position of any member of a brigade is not worsened by reason of the abolition.
